## Foreword

Often in former days, but more rarely today, guests at parties and dances participated in what was known as the circle-round. A caller would direct couples to join hands and "circle-round."

After a few moments of circling, the boys in one direction and the girls in the opposite, the leader would then call out a number which indicated the number of girls a boy had to pass before he reached his partner. The girl who corresponded to the number called in the circle became the partner of the boy during the dance. In such a manner many strangers met and later became friends, for guests were encouraged to mingle.

All of this explanation leads straight to our theme for 1947. Here at Newark High School students are urged to participate in activities and to make friends. In short, the school is a glorified circle-round. The division pages of this volume show circles in which appear students who are participating in the various activities of their school life. The Annual Staff, therefore, presents this Reveille of 1947 in the hope that everyone will circle-round, will make many new acquaintances, and will form lasting friendships—friendships which will endure after they will have left the friendly circle at Newark High School.

## DEDICATION

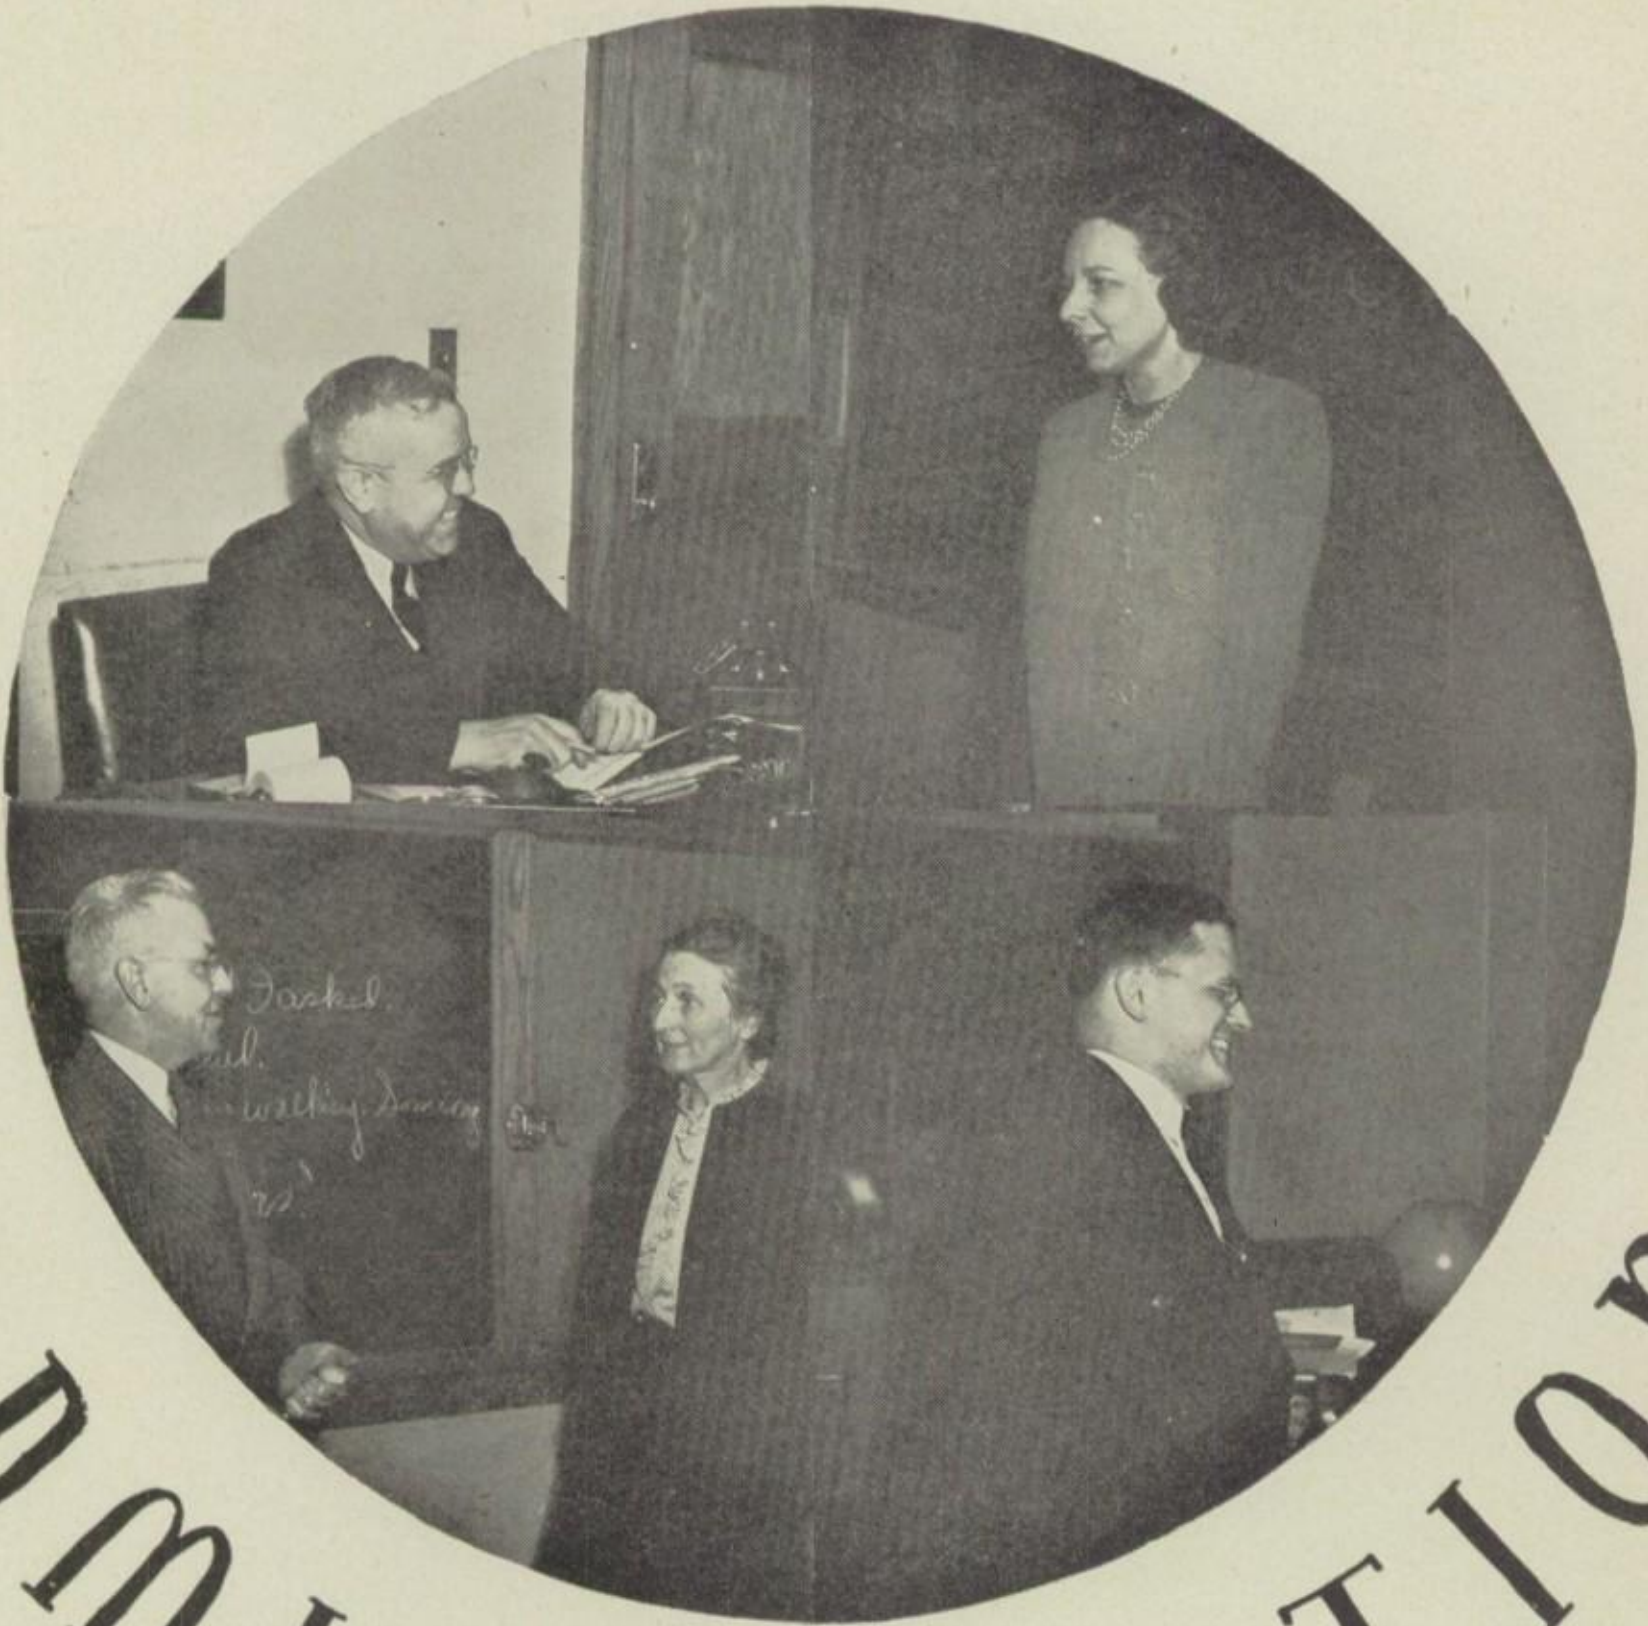

*The Annual for 1947 is dedicated to Mr. Florn Washburn Smith, instructor of chemistry, in appreciation of his twenty-eight years of service to our school as a friend and teacher.*

The "Lincoln Lantern" reappeared at Lincoln Junior High School last year after the wartime activities no longer required so much of the pupils' time. The "Lantern" is a mimeographed paper, published four times annually containing stories, poems, sports, book reviews, reports of clubs, assemblies, athletic events and all activities in which Lincoln pupils are interested. Many boys and girls have contributed to the paper during the last two years. Some of the cover designs drawn by Lincoln pupils dis-

played both originality of design and skill in drawing. Staff members work individually on stories assigned to them; however, a few of them have collaborated on stories based on interviews with speakers or classmates. Another feature of interest to the staff has been the exchange of papers with other Newark schools and neighboring cities.

This year's Lantern has been guided by Phyllis Rine, president; Jimmy Butler, secretary; and Ellen Carpenter, treasurer.

Woodrow Wilson Junior High School is featuring the above picture of the "Girls' Ensemble" which is only one group of the many who have been furnishing some very fine music this year. With these groups we are establishing our First Annual Concert which will be featured in the spring

of each school year.

We are indebted to Mrs. Betty Welsbacher for new interest and enthusiasm for singing, especially among our boys, and she is likewise finding much musical talent in the school which had not manifested itself heretofore.

The art program is varied and changes to meet the needs of the students. Originality of work and technical use of art materials are stressed with principles of color, design, and figure drawing as a basis. Popular craft problems are introduced in each grade level such as plaster plaques, paper mache figurines, letter folios,

raffia and felt jewelry, etc. The art classes also make posters for school functions such as Christmas decorations, festivals, school plays, P.T.A. programs, etc. These students are eligible to compete for the Michael J. Dowling Award which is now a permanent part of our program.

## The Spring Concert

### Singers Await Their Cue

The sixth annual concert of the high school chorus was given in the auditorium, April 26, 1946, before a record audience. The chorus presented a varied program and featured not only selections by the entire personnel but also numbers by the boys' quartet and many soloists. The solo numbers were sung by seniors. The selection of pieces was interesting for it dipped into several types of music—religious, humorous, and college songs.

The high point of the evening was the singing of the four boys who made up the first male quartet to appear with the chorus. Their interpretation of the humorous "Nut Brown Maiden" was received with loud applause and was followed by an even better number in which Dave Lacy starred by reaching an exceedingly low note.

After a short operetta, the program was concluded by two chorus numbers.

## The Senior Play

### Henry Is Delinquent Again

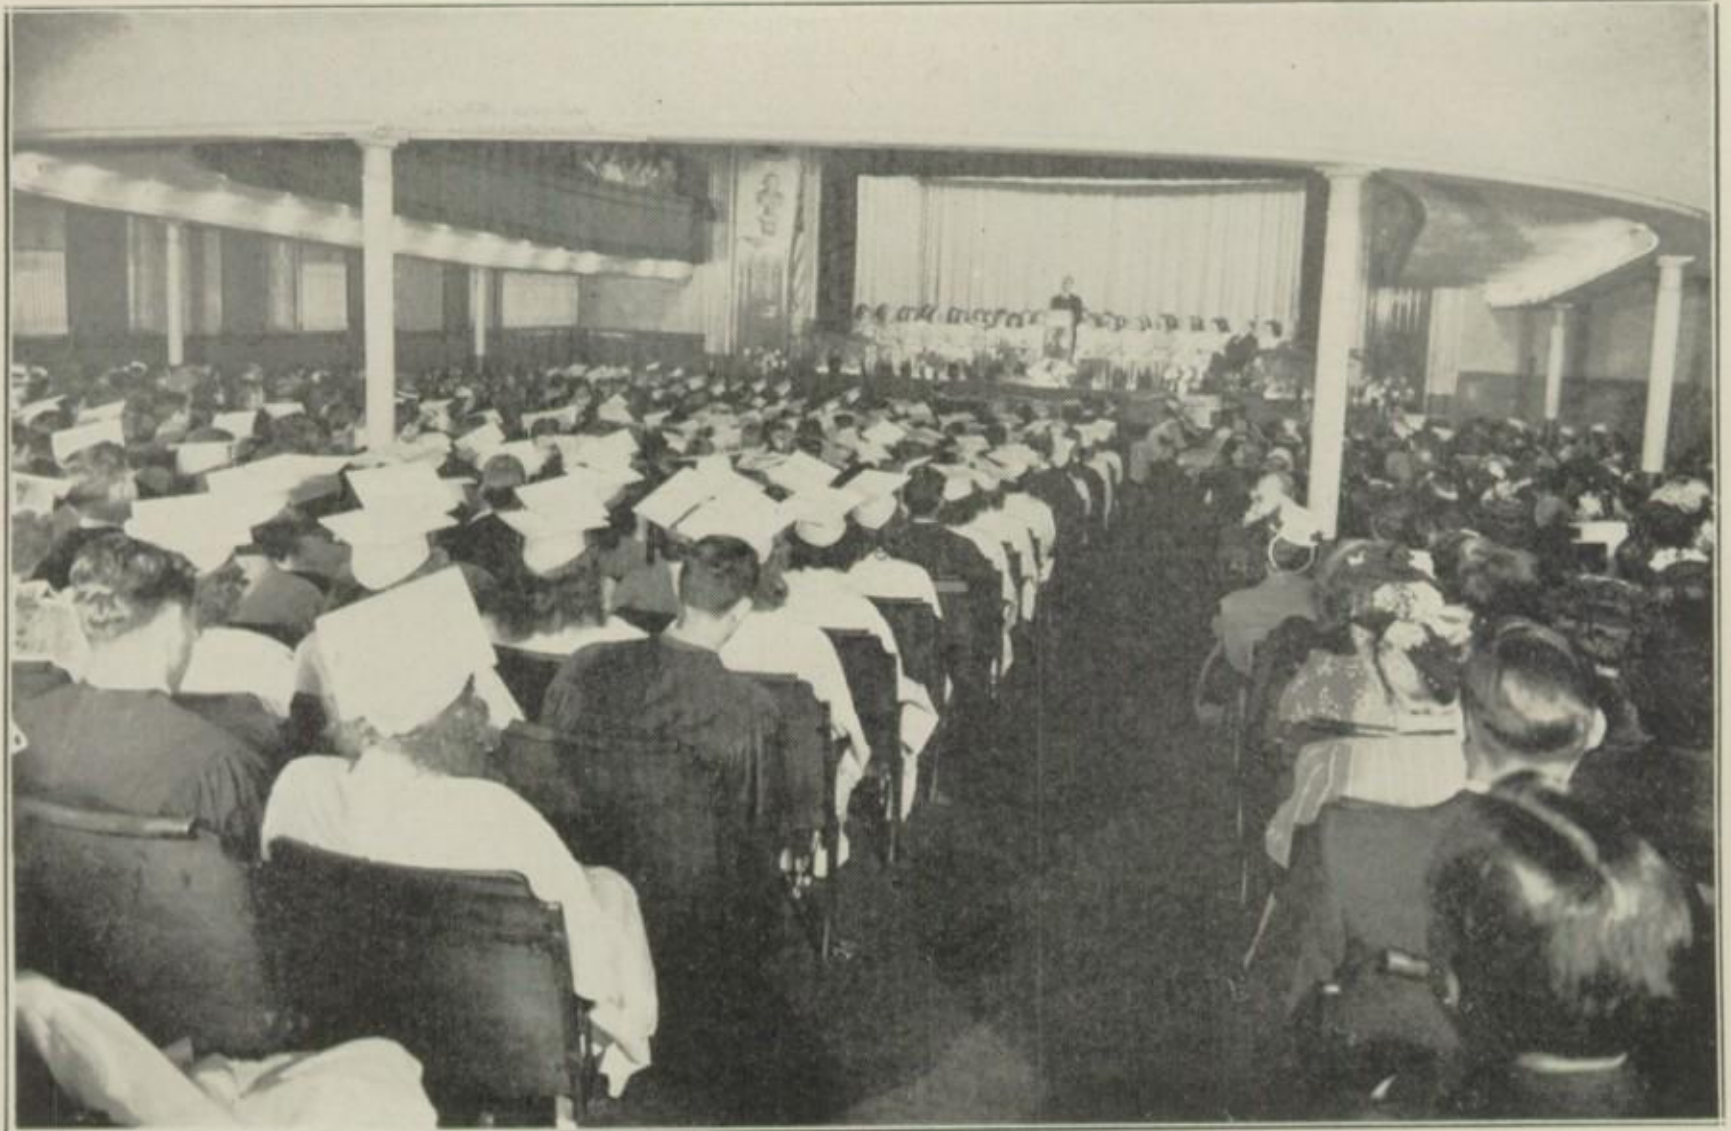

By special arrangement with the Dramatics Play Service, the Senior Class presented *What a Life*, by Clifford Goldsmith. The curtain parted at eight-fifteen o'clock in the high school auditorium to a near-capacity audience.

The play was coached by Miss Joan Patton, who was assisted by Mr. Stewart Cox. The cast was as follows: Shirley Guthrie as Miss Shea (secretary to Mr. Nelson); Charles Fisk, Mr. Nelson (assistant principal); Carol Lloyd, a student; Carolyn Hughes, a student; Clyde McKeand, Mr. Patterson (a teacher); Mary Rickes, Miss Pike (a teacher); Robert Perdue, Bill (a student); Susan Haslop, Miss Egg-

## The Baccalaureate

### Reverend Louis H. Lammers Addresses Seniors

On the afternoon of May 26, 1946, at two-thirty o'clock, in the auditorium of the high school moved the baccalaureate procession of the graduating class. The processional, "La Rene du Sabe," by Gounod, was played by the orchestra under the direction of Mr. Gelfer. The Reverend John Veere Lacy of the East Main Street Methodist Church gave the invocation. "Sanctus," by Gounod, was then sung by the Newark High School Chorus, directed by Mr. Jones.

"Meeting the Requirements" was the subject of the sermon delivered by the Reverend Louis H. Lammers of the St. John's Evangelical and Reformed Church. The chorus followed with Gounod's "Benedictus." The Reverend John Veere Lacy pronounced the benediction.

The recessional march was "The March Slav," Tschaikovsky, played by the orchestra. The audience remained seated until the senior class had left the auditorium.

## The Prom

### Seniors, Juniors, and Guests Dance to Bill Woodring's Music

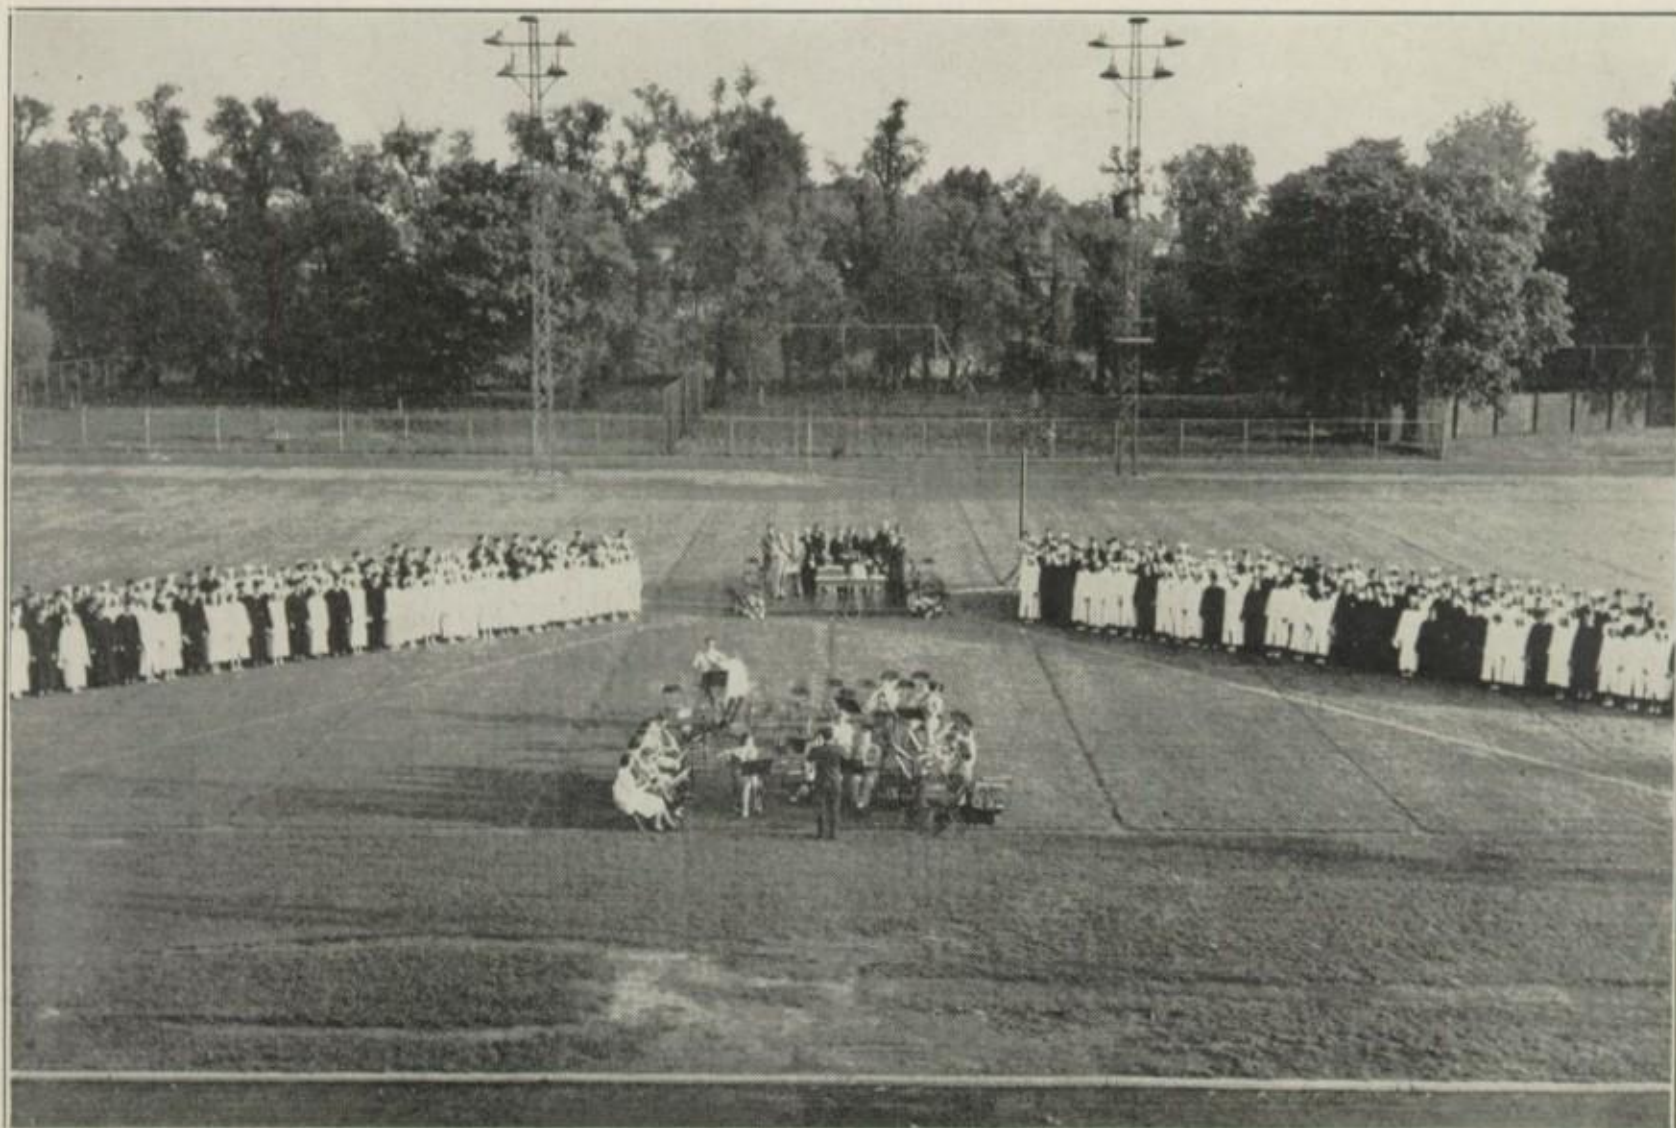

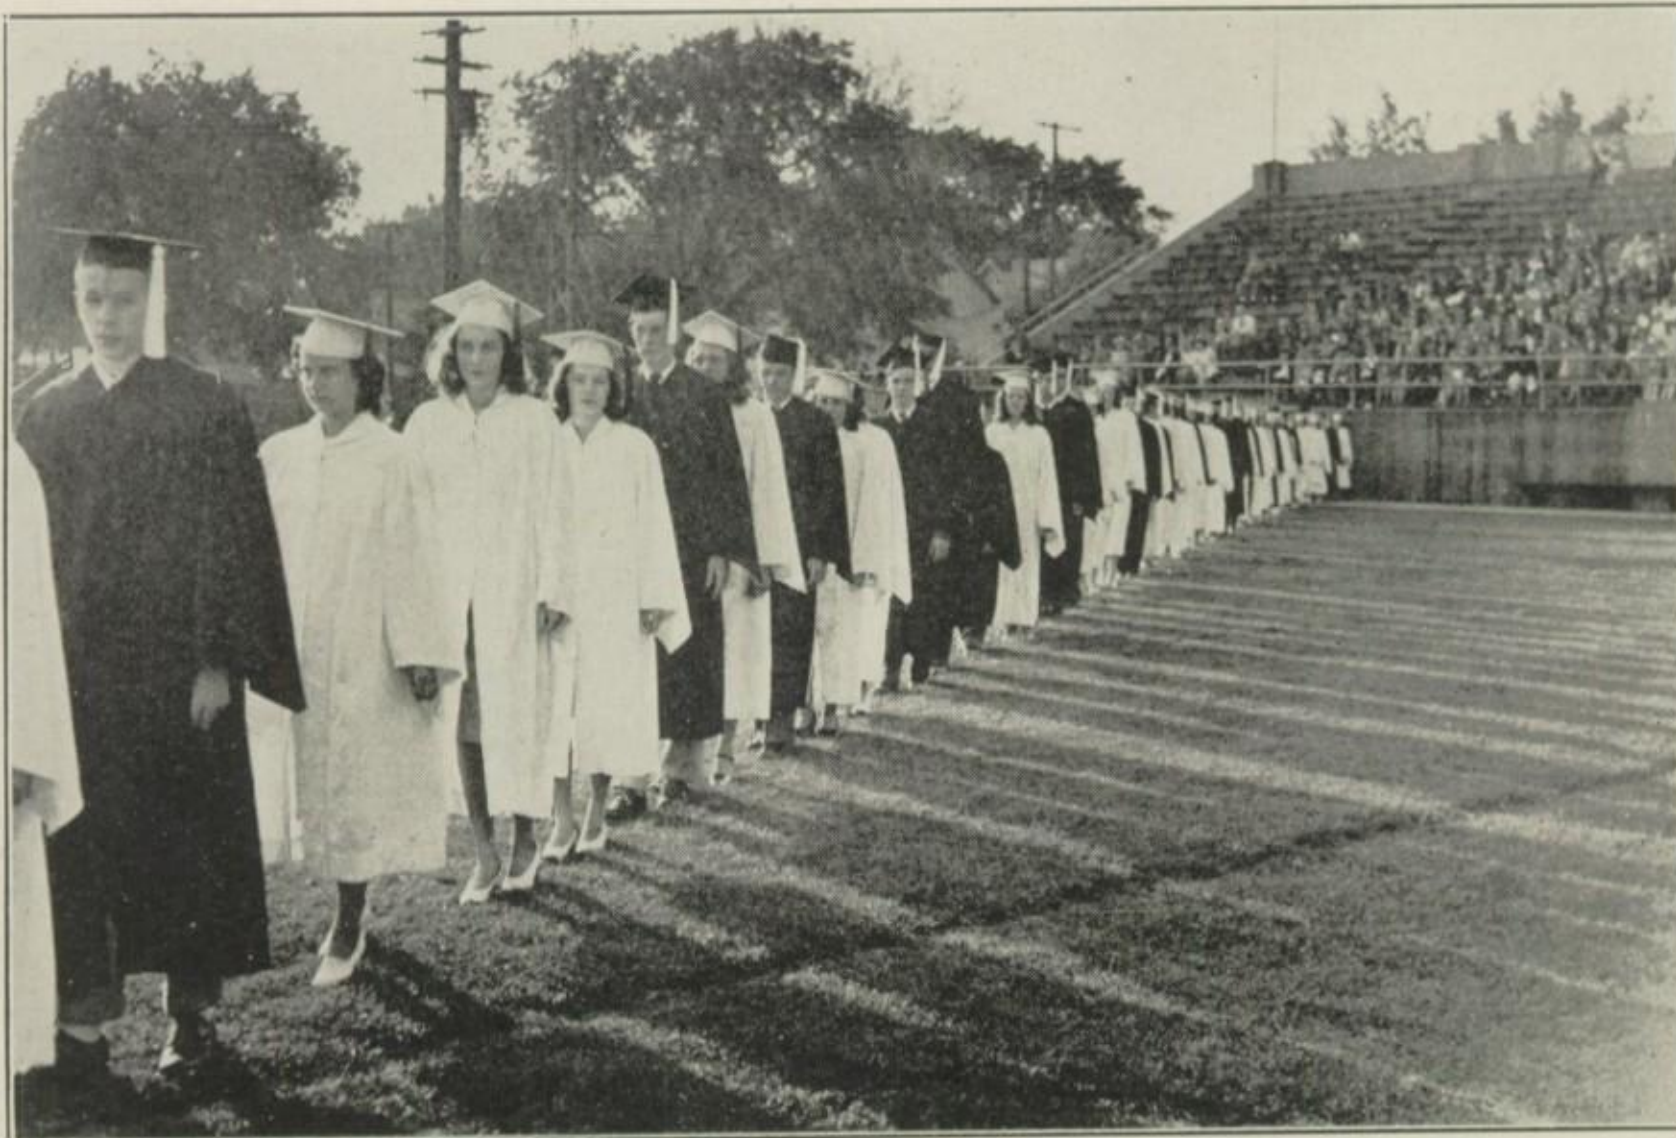

Seniors, juniors, and their guests enjoyed the music of Bill Woodring and his orchestra, from Cleveland, at the annual Junior-Senior Prom, held in the gymnasium during the evening of May 28, from eight to twelve. Approximately two-hundred couples attended this outstanding function of the school's social season.

A committee of juniors under the direction of the junior class advisers decorated the gymnasium attractively for the occasion. Cheri Warthen was crowned Prom Queen.

The Prom was the second major event for the seniors of the busy commencement week.

### Dr. Jones Presents Diplomas

The Annual Commencement Exercises were held at White Field Stadium at six-fifteen o'clock in the evening of May 29, 1946.

The Newark High School Band, under the direction of Mr. Dwight Campbell, played Elgar's "Pomp and Circumstance" as the members of the graduation class—preceded by members of the Board of Education, the superintendent of Newark schools, the Reverend Mr. Lammers, the Reverend Mr. Lacy, Dr. John C. Baker, and the principal and vice principal of Newark High School—solemnly marched in procession to their places.

The Reverend Louis H. Lammers, pastor of St. John's Evangelical and Reformed Church, spoke the invocation. Following, the band played "Stout-Hearted Men," by Yoder.

The commencement address was given by Dr. John C. Baker, president of Ohio University. His subject was

"The Days Ahead." Following the address, Mr. Paul B. Edwards presented the awards to various members of the class. Recognition was given the National Honor Society, the Student Council, the Reveille Annual and Business Staffs, and students having consecutive years of perfect school attendance.

Dr. Roland W. Jones, president of the Board of Education, then presented diplomas to members of the graduation class with congratulations. Recognition was given former Newark High School students who died in military service and who had not been recognized previously. Donald Merle Roberts sounded Taps.

The Reverend John V. Lacy, pastor of the East Main Street Methodist Church, pronounced the benediction. The recessional march, "Pomp and Circumstance," was played by the band.

### The Newark Relays

The seventh annual Newark Relays, held on May 24, 1946, was won by a newcomer from northern Ohio: Akron North. The runner-up was Springfield. Fourteen teams participated in the event.

Despite a rain, which cascaded from the heavens by the bucketsful during the meet and at one time reached cloud-burst proportions to halt the proceedings for twenty minutes and to flood the track, two records were broken. Jim Kuntz of Columbus Linden McKinley trotted over the rain-soaked cinders to defeat West's Austin Hutt in a thrilling mile run in the time of four minutes thirty-nine seconds for a new mark, the old record being 4:39.5. Jack Lewis, brilliant Bexley hurdler, set a new record in the 120-yard high hurdles in the time of 15.2 seconds, bettering the old mark of 15.4 set by Howard in 1943.

Newark's only first was taken by

Don Idle in the 880-yard run. Austin Hutt was disqualified thereby giving Idle a first. Bob Shannon took fifth place in the 220 lows. The mile relay team took a third. The crack shuttle team of Don M. Smith, Jack Slater, Charles Gilham, and Bob Shannon was disqualified.

Fourteen teams scored with Newark taking eleventh place.

## Columbus Central

Newark's cindermen went to Columbus Central for the first track meet of the 1946 season.

Newark got two first places in the 440-yd. dash by Miller and in the mile relay by Hand, Gilham, Van Horn, and Miller. There were two ties for first: Bill Fleitz and Jack Slater in the pole vault; and Gary Griffith and Finkes of Central in the broad jump. The final score was 85 to 57 in favor of Columbus Central.

## Columbus East

Newark's thinclads were defeated by a powerful Columbus East track squad Friday afternoon, April 12. Newark looked much better in the weight events than in the previous meet. East copped eight first places while Newark received six. Bill Fleitz and Bob Shannon were high-point men for Newark, each with ten points. Jim Riley won the high jump, and Don Idle won first in the 880. The final score was 63 to 55 in favor of Columbus East.

## Delaware Upper Arlington

On the afternoon of April 17, Newark's thinclads came back from two losses to win a triangular meet with Delaware and Upper Arlington. Newark came out on top with 65½ points; Arlington 60½; and Delaware 23. Newark's Bobby Shannon won the 220-yard low hurdles and placed second in the highs. Bill Fleitz won the pole vault and was second in the broad jump.

## Mansfield

Newark's cindermen went to Mansfield for the fourth track meet of the season. Mansfield being an exceedingly powerful team, the Harlowmen lost 77 to 41.

Newark's Bobby Shannon won both hurdle races and anchored the winning shuttle team to victory. Newark won four firsts: the hurdles, the half-mile relay, and the 880-yard run. Don Idle won the 880, while Don M. Smith, Don Schaller, Jim Brutchey and Gary Griffith won the 880-yard relay.

The shuttle, an exhibition event, was won in fine stride by Newark's Don M. Smith, Charles Gilham, Jack Slater, and Bob Shannon.

## Uhrichsville Relays

Newark traveled to the ninth Uhrichsville relays for the fifth meet of this year. The participants placed third, behind powerful Cleveland Rhodes and Canton McKinley. Newark's only firsts were in the 440-yd dash

and in the high jump. Gene Miller won the 440 in fifty-three seconds flat, and Jim Riley won the high jump. Newark ran the Sprint Medley Relay with a time of 3:36 to break the old record time of 3:39 flat. Bill Fleitz started it by running 110 yards; Gary Griffith, 220; Bill Hand, 440 yards; and Don Idle, 880 yards.

## Columbus West

The Newark thinclads' sixth track meet turned into another defeat. West took three first places while Newark copped seven.

"Rapid" Robert Shannon won both hurdle races, and anchored the winning shuttle team. Bill Fleitz won the pole vault; Jim Riley won the high jump; Dick Kane won the discus throw with a surprising toss of 118 feet 8 inches; and the mile relay team won. The shuttle team had the tough luck although they won. Don M. Smith had a bad fall over the first hurdle; however, the rest of the team made up for the accident and defeated the opposition by about one foot.

## C. O. L. Meet

The annual Central Ohio League meet was held in Marietta. Until this year, Newark had been C.O.L. champ for thirteen years. This year, however, Marietta won.

Newark's only firsts were taken by Bill Fleitz in the pole vault, John Reber in the high jump, Bob Shannon in the high hurdles, and Don M. Smith in the 220-yd. low hurdles. The final score was Marietta 97, Newark 78.

## District Meet

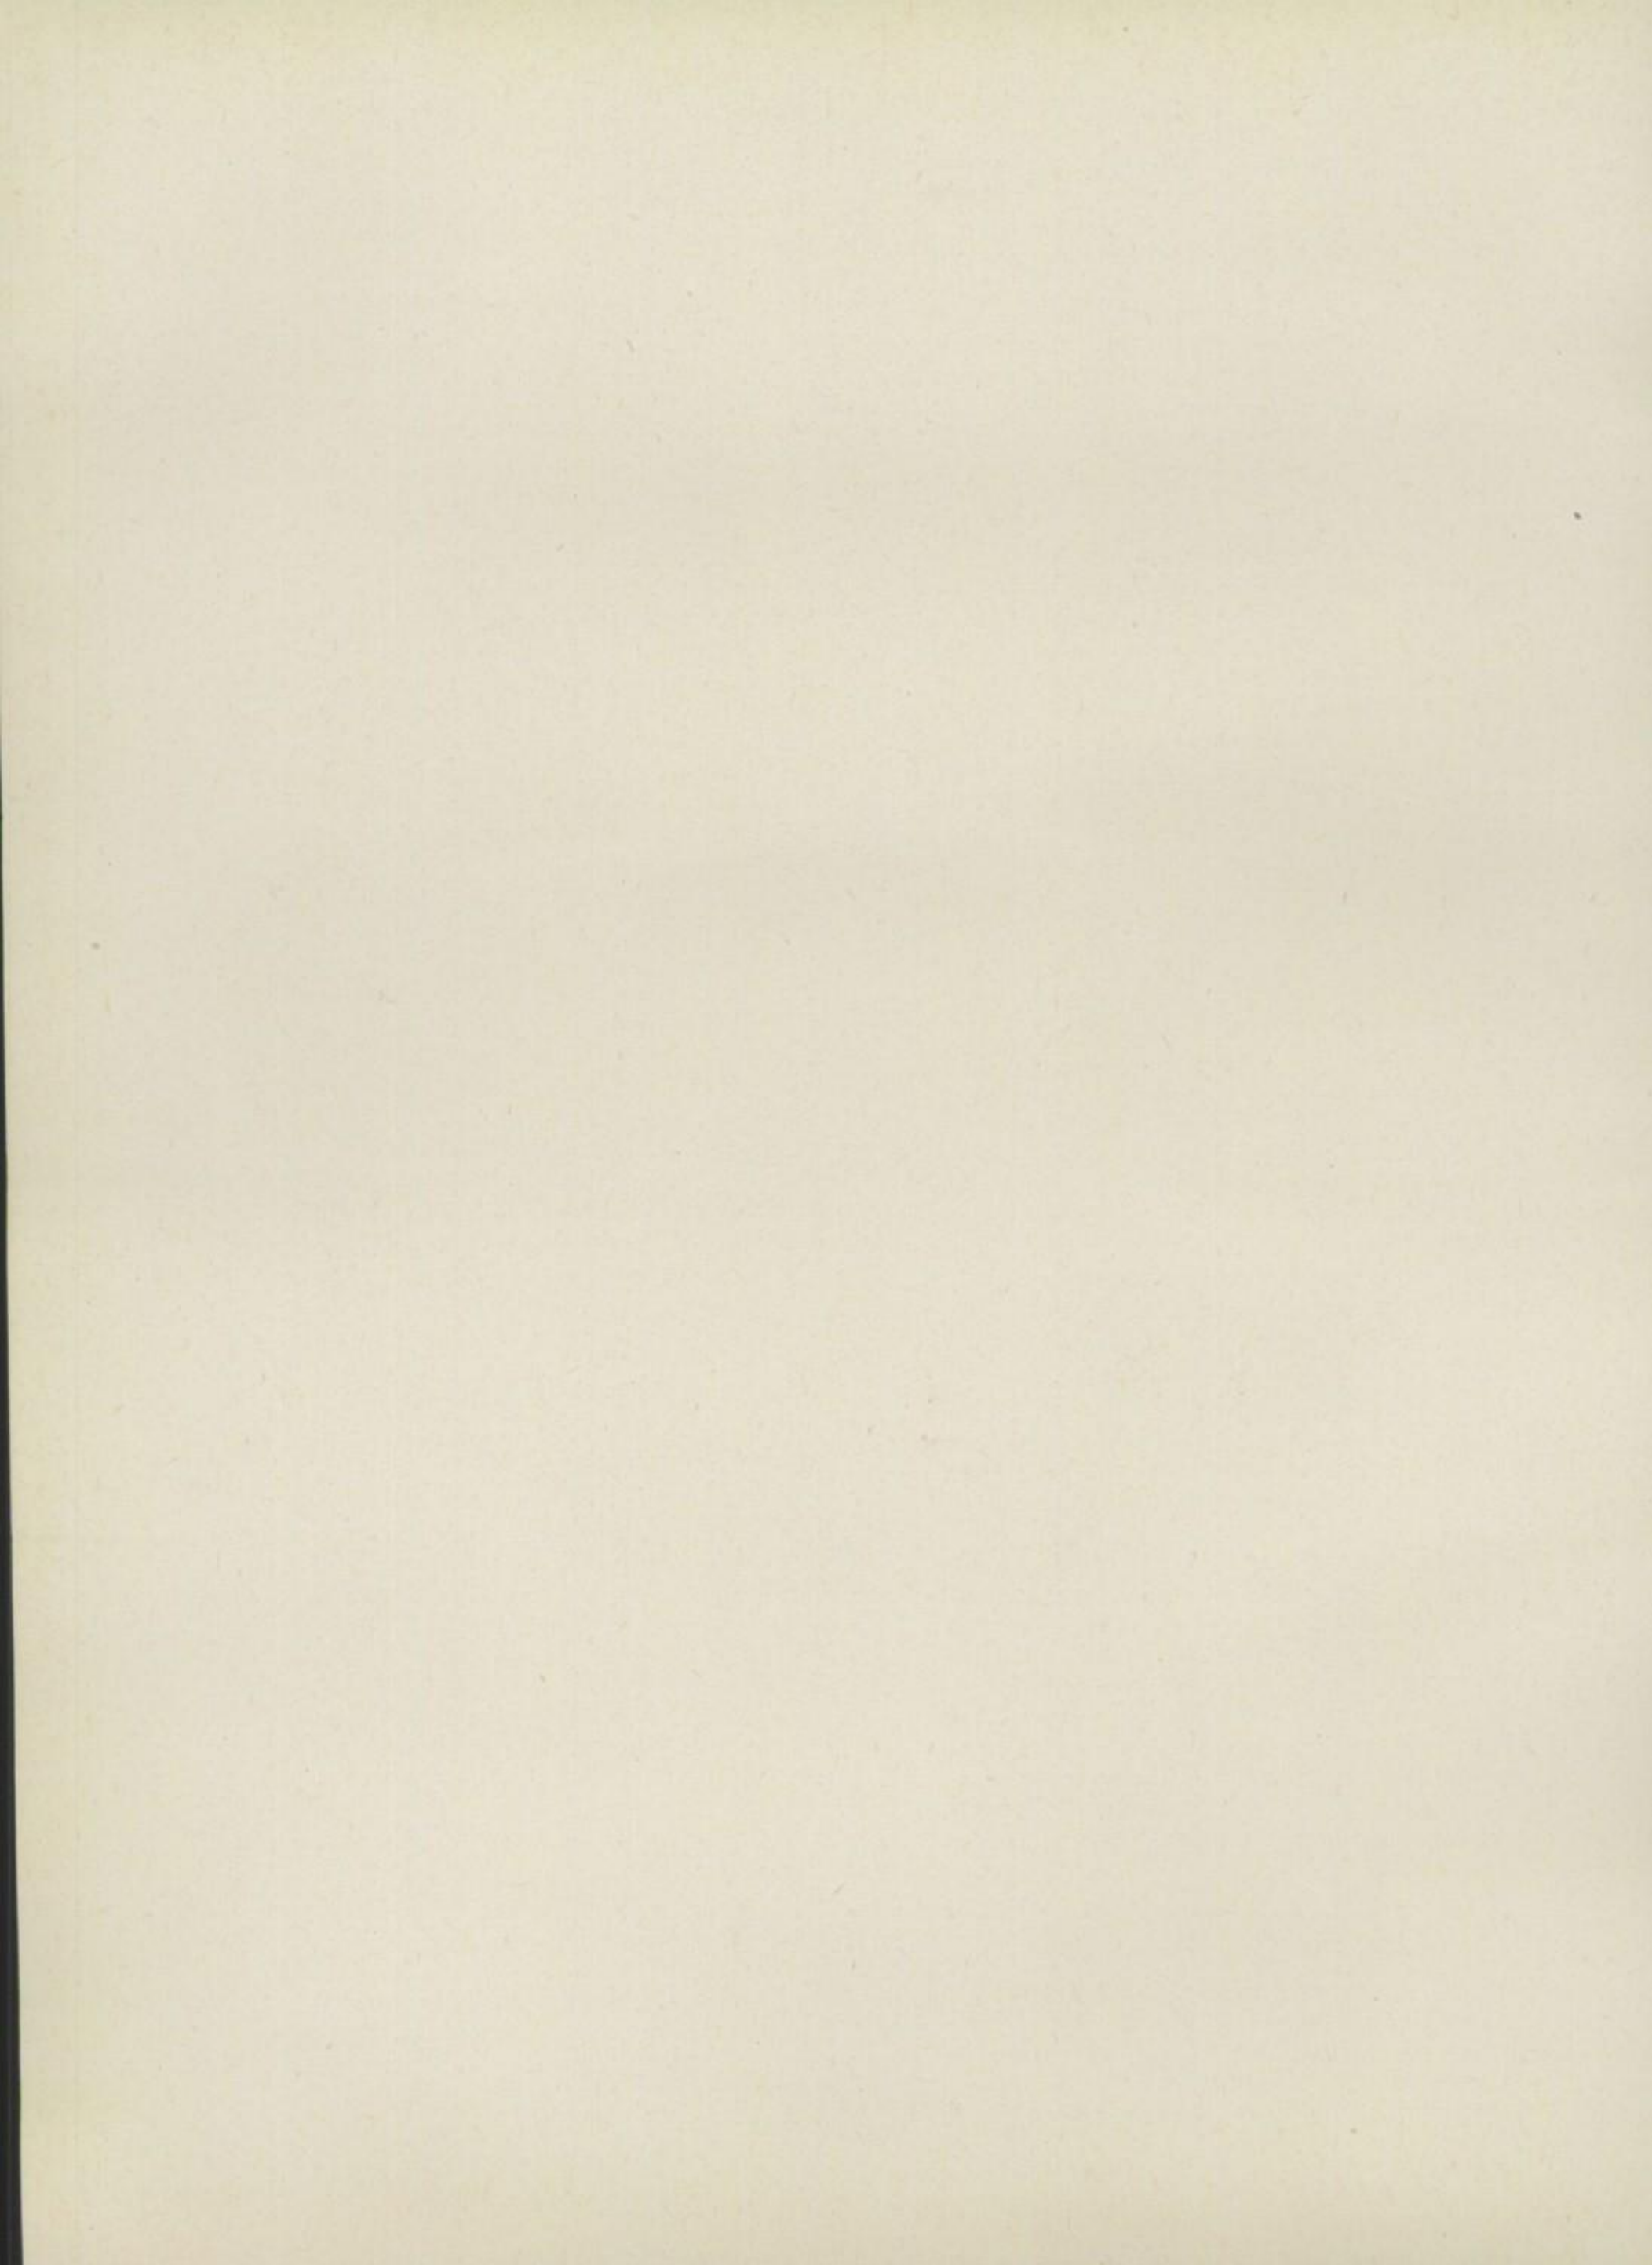

The annual district meet was held at Ohio Wesleyan University.

Columbus North emerged from under the pack to win the meet. Columbus Central copped second while Columbus East took third. Newark had four boys qualify in the morning: Bob Shannon in the 220 lows, Gene Miller in the 440, Gary Griffith in the 220, and Don Idle in the 880. Gene Miller and the mile relay team—made up of Gilham, Idle, Hand and Miller—placed in the finals. No one qualified for the state meet.

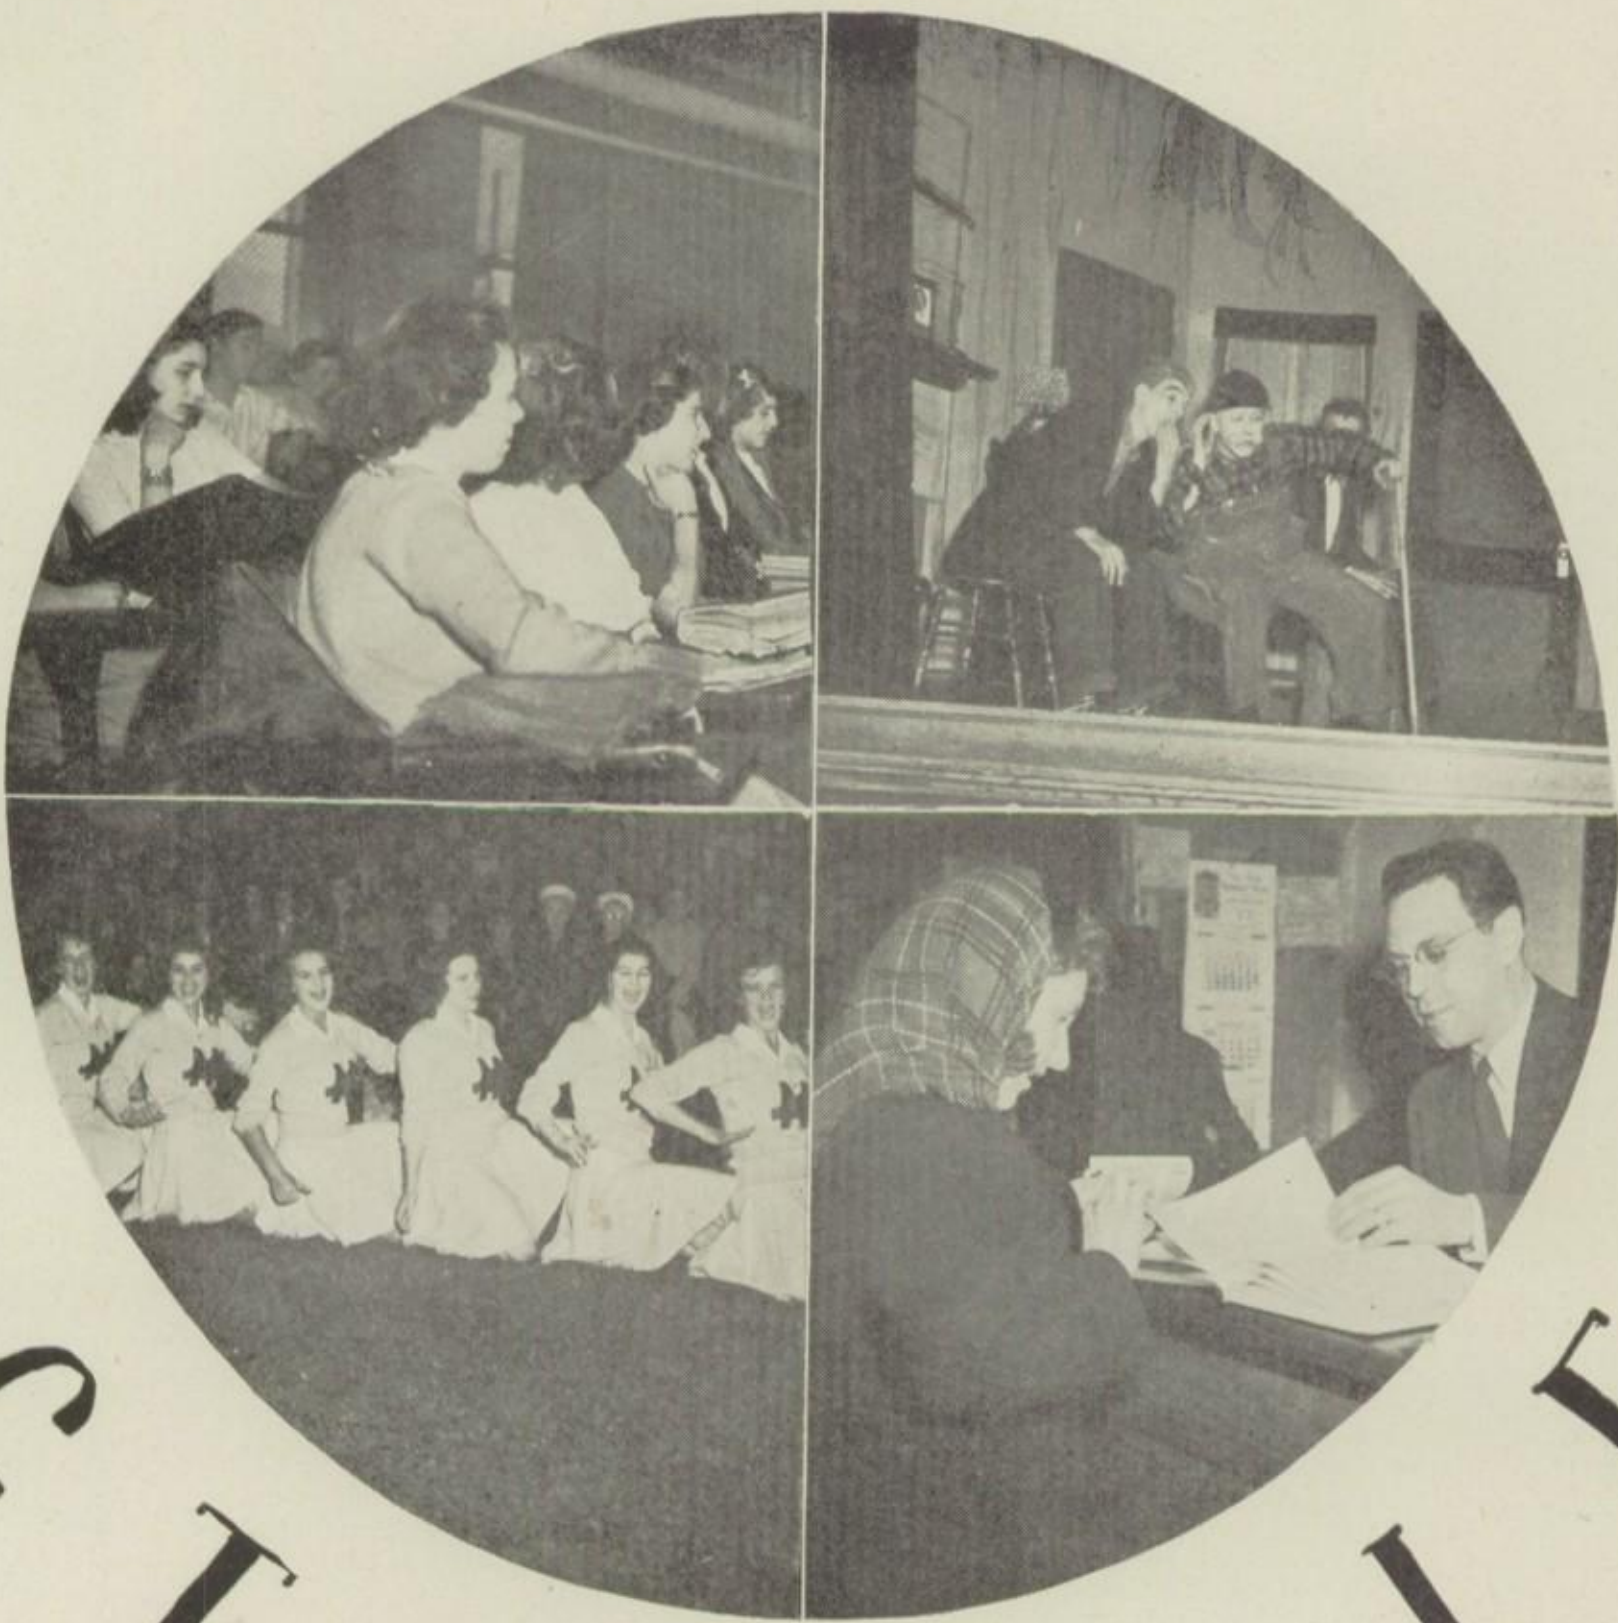

## Springfield

Newark traveled to Springfield for the last meet of the year. The boys finished third, behind Columbus North and Springfield. Newark didn't snare one first during the meet. It was a quadrangular affair which fact made competition much stiffer. Newark tallied 26½ points.

# ACTIVITIES

## Annual Staff

Upper left—John Roberts, editor; Mr. Kingery, adviser; Donald M. Smith, associate editor. Upper right, standing—Mr. Kingery, James Walker, Don M. Smith, John Roberts; seated—Amy Henzy, Cornelia Jones, Patricia Lowry. Lower left—James Walker, Don M. Smith, Mr. Kingery, John Roberts. Lower right—Don M. Smith and John Roberts. Not pictured—Suzanne Rivitz.

Each year the Annual Staff aims to present a record in pictures of the school year. This year is no exception. The theme of the 1947 book is the circle-round which is explained in the Foreword. In keeping with the informality of those who participate in the dance from which the staff takes its theme, the 1947 Annual emphasizes for the first time informal pictures to illustrate school activities. In addition to this change and other changes, the staff has inserted a new section, Spring Events, to the volume in order to cover those year-end activities which are normally omitted from yearbooks.

Necessarily the events of the previous school year are presented in this new section, with present-year activities being carried approximately through the close of the basketball season.

In cooperation with the Business Staff and for the first time in the history of the annual, advertising has been removed from the front of the book. The staff believes that much credit should go to those merchants who so kindly consented to let their ads be moved to the back of the book where from this time on all advertising will be found.

## Business Staff

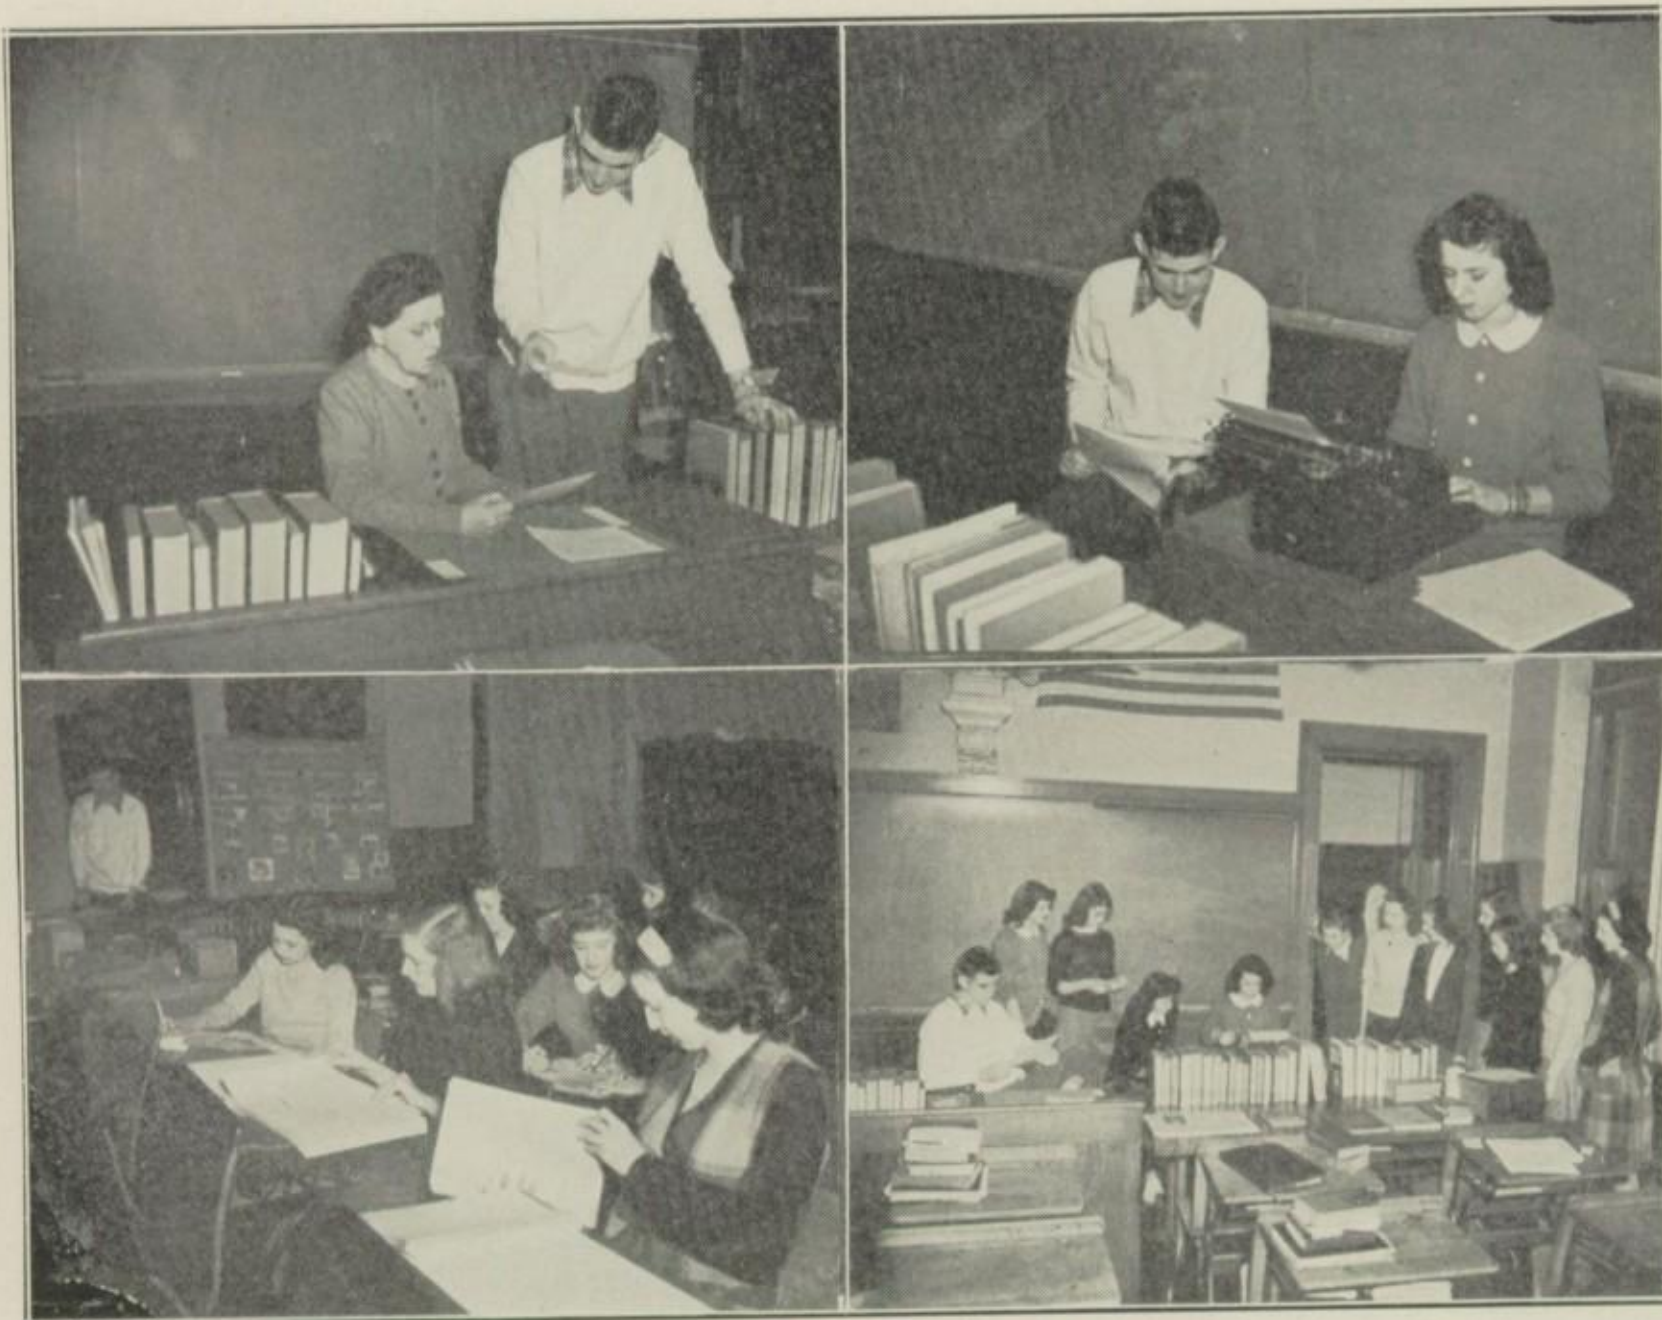

Upper left—Mr. Stoeckmann checks contracts. Upper right—Pat Koman sells an ad to Mr. Allen. Lower left—Mr. Wolverton signs on the dotted line as Marjorie Hall looks on. Lower right—Mildred Ann Guttridge gets ready to sign Mr. Abbott.

At the beginning of each year the Business Staff is organized for the purpose of soliciting advertisements for the Reville Annual. Each member of the staff is given names of several advertisers whom he seeks personally. As a result of the work of these people, the Annual is partially financed.

This type of work provides valuable experience and training in connection with the business world. Securing these advertisements develops poise and ease in the student that will be very valuable in future business contacts. It also affords the opportunity for staff members to become acquainted with local merchants.

## Journalism Staff

Upper left—Miss Crilly, adviser, confers with Jack Dettre, editor of the Reveille News. Upper right—Jack Dettre dictates to Coralie Roberts. Lower left—Members of the staff perform various tasks. Lower right—The staff: Jack Dettre, Molly Bob, Patti Rice, Dolores Evans, Coralie Roberts, Richard Ryan, Nancy Branscome, Pat Carey, Mildred Attlee, Jean White, Mary Jean Butcher, and Sally Jane Beck. Not in picture—Don McCoy.

The Reveille News Sheet, which has brought to the student each week a record of the activities in school of the previous week, was edited by the Journalism Staff. This paper included editorials by Jack Dettre, the editor, an account of sports written by Dick Ryan, a fun column by Patti Rice and Molly Bob, and articles about school activities written by the whole staff. The rest of the staff consisted of Sally Jane Beck, Jeanne White, Mary Jean Butcher, Donald McCoy, Nancy Branscome, Mildred Attlee, Dolores Evans, and Pat Carey. The adviser

was Miss Bertha L. Crilly, and the typist was Coralie Roberts. Two special issues were the Christmas and graduation issues.

The class studied the New York Times and a standard textbook for a basis of daily work in current events, vocabulary, and essential newspaper work. The bulletin board in the center hall on the second floor was arranged by the Journalism Staff throughout the year.

The News Sheet afforded the members of the staff an opportunity to write for publication.

## Room Agents

Upper left—Room agents meet. Upper right—Frank Thomas sells a Reveille. Lower left—Mr. Stoeckmann collects money from room agents. Lower right—Mr. Stoeckmann hands out receipt books.

Two students are chosen in each home room at the beginning of the year for the purpose of being agents for the Reveille News and the Reveille Annual. A great deal of responsibility rests upon the shoulders of room agents. This responsibility helps develop a student's ability for business, and only dependable students are

qualified for the job.

At the beginning of the year they take orders for the News, and then during the second semester take orders for the Annual. The room agents definitely have great influence in creating better school spirit. Mr. George Stoeckmann is the adviser of this group.

## Production Staff of the Reveille News

Upper left—Mr. Spangler, adviser; Constance Morehouse, Suzzane Graves, and Bonnie Ditter. Upper right—Members work office machines. Lower left—Another view of the staff. Lower right—Sorting Reveille News.

The staff includes senior girls who are interested in becoming proficient in the operation of office machines.

This group of students cuts the stencils, mimeographs the material, folds the paper, and fills the room subscription lists of the Reveille News. They do not write or edit the articles.

In addition to the work on the school paper, they do mimeographing and duplicating work for the members of the faculty. Too, they gain an operating knowledge of calculators, adding machines, and the dictaphone. The advisers of the staff are Miss Headlee, Miss Morgan, and Mr. Spangler.

## Debate

Upper left—Mr. C. P. Smith, adviser. Upper right—The Debate Class. Lower left—David Chaney and James Reusser. Lower right—La Verne Dowler.

The sixteen members of the debate groups discussed this year the question: "Resolved, that the Federal Government should promote a system of complete medical care available to all citizens at public expense." During the season debaters participated in three tournaments: at home on October 26, at Delaware on December 7, and at Columbus Central on January 11. They also appeared before the Forum of the First Methodist Church; met in a dual debate with Denison freshmen, November 19; attended the Ohio State-Northwestern debate, followed by a clinic and practice debates

at Ohio State University, December 14; spoke before the local Shrine Club, January 23; met teams from Marietta in a non-decision tilt, March 13; and closed the debating season at the Central District meet, held at O.S.U. on March 15, where Newark placed second.

The question for the next year has not as yet been worded, but will be chosen from the following three fields: the statehood of Hawaii; an appropriate phase of arbitration of industrial disputes in basic industries; and a world government to replace the United Nations Organization.

### The Junior-Senior Group

Starting the ball rolling in the western Ohio division of the National Forensic League, Newark staged the first debate tournament of the season on October 26. Considering the shortness of time spent on the question, the Varsity did quite well. Affirmative speakers were Mary Carpenter, James Reusser, David Chaney, James Armbruster, and Larry Rudolph; the negative debaters included La Verne Dowler, Herron Mercer, Don Roberts, and Harry Butler. In their search for more practice the teams journeyed to Denison University for two non-decision tilts with the freshmen teams.

On December 7, the group trekked to Delaware Willis High School for three practice rounds. Affirmative speakers here were Mary Carpenter, James Reusser, David Chaney, and James Armbruster; those for the neg-

ative included Harry Butler, Don Roberts, Herron Mercer, and La Verne Dowler. The next week the same speakers were at the Ohio State University, where an exhibition debate between Ohio State and Northwestern University was held, followed by a clinic and two rounds of non-decision debates.

Equipped with this rather extensive experience the group, on January 11, participated in another practice tournament in Central High School at Columbus, where they won five debates in twelve tries. In further preparation for the Central Ohio district meet, held at the Ohio State University, March 15, this group met in two non-decision tilts with debaters from Marietta here on March 13. The season closed with the district meet, at which Newark won two out of four tries.

### The Sophomore Debate Group

The sophomore debate class met every day the first period. Members were Harlan Taylor, Don Evans, Larry Rudolph, Giles Smucker, Howard Haga, Joyce Hess, and Jean Haas. During the semester Evans and Taylor upheld the negative; Rudolph and Haas defended the affirmative, debating together ten times.

Sophomore debaters participated in the local tournament held on October 26. Next, they presented an exhibition

debate at the Second Church of Christ. Further activities included practice debate with the Denison freshmen, November 19; the Delaware tournament, December 7; the clinic at the Ohio State University, December 14; and the Columbus Central tournament, January 11.

At the opening of the second semester the sophomore group joined the senior-junior class.

## Honor Society

Upper left—Miss Boyd, adviser, opens meeting. Upper right—Members and Miss Boyd. Lower left—From the adviser's point of view. Lower right—Curtis Ault, Ed McMillan, Grace Helser, Dolores Evans, James Reusser.

The membership in the National Honor Society is based entirely upon the scholarship average of the students. The average is based upon the grades received in the tenth, eleventh and twelfth years. The organization is a national one and is composed of those pupils in the upper fifteen per cent of the senior class.

The Society was organized first in

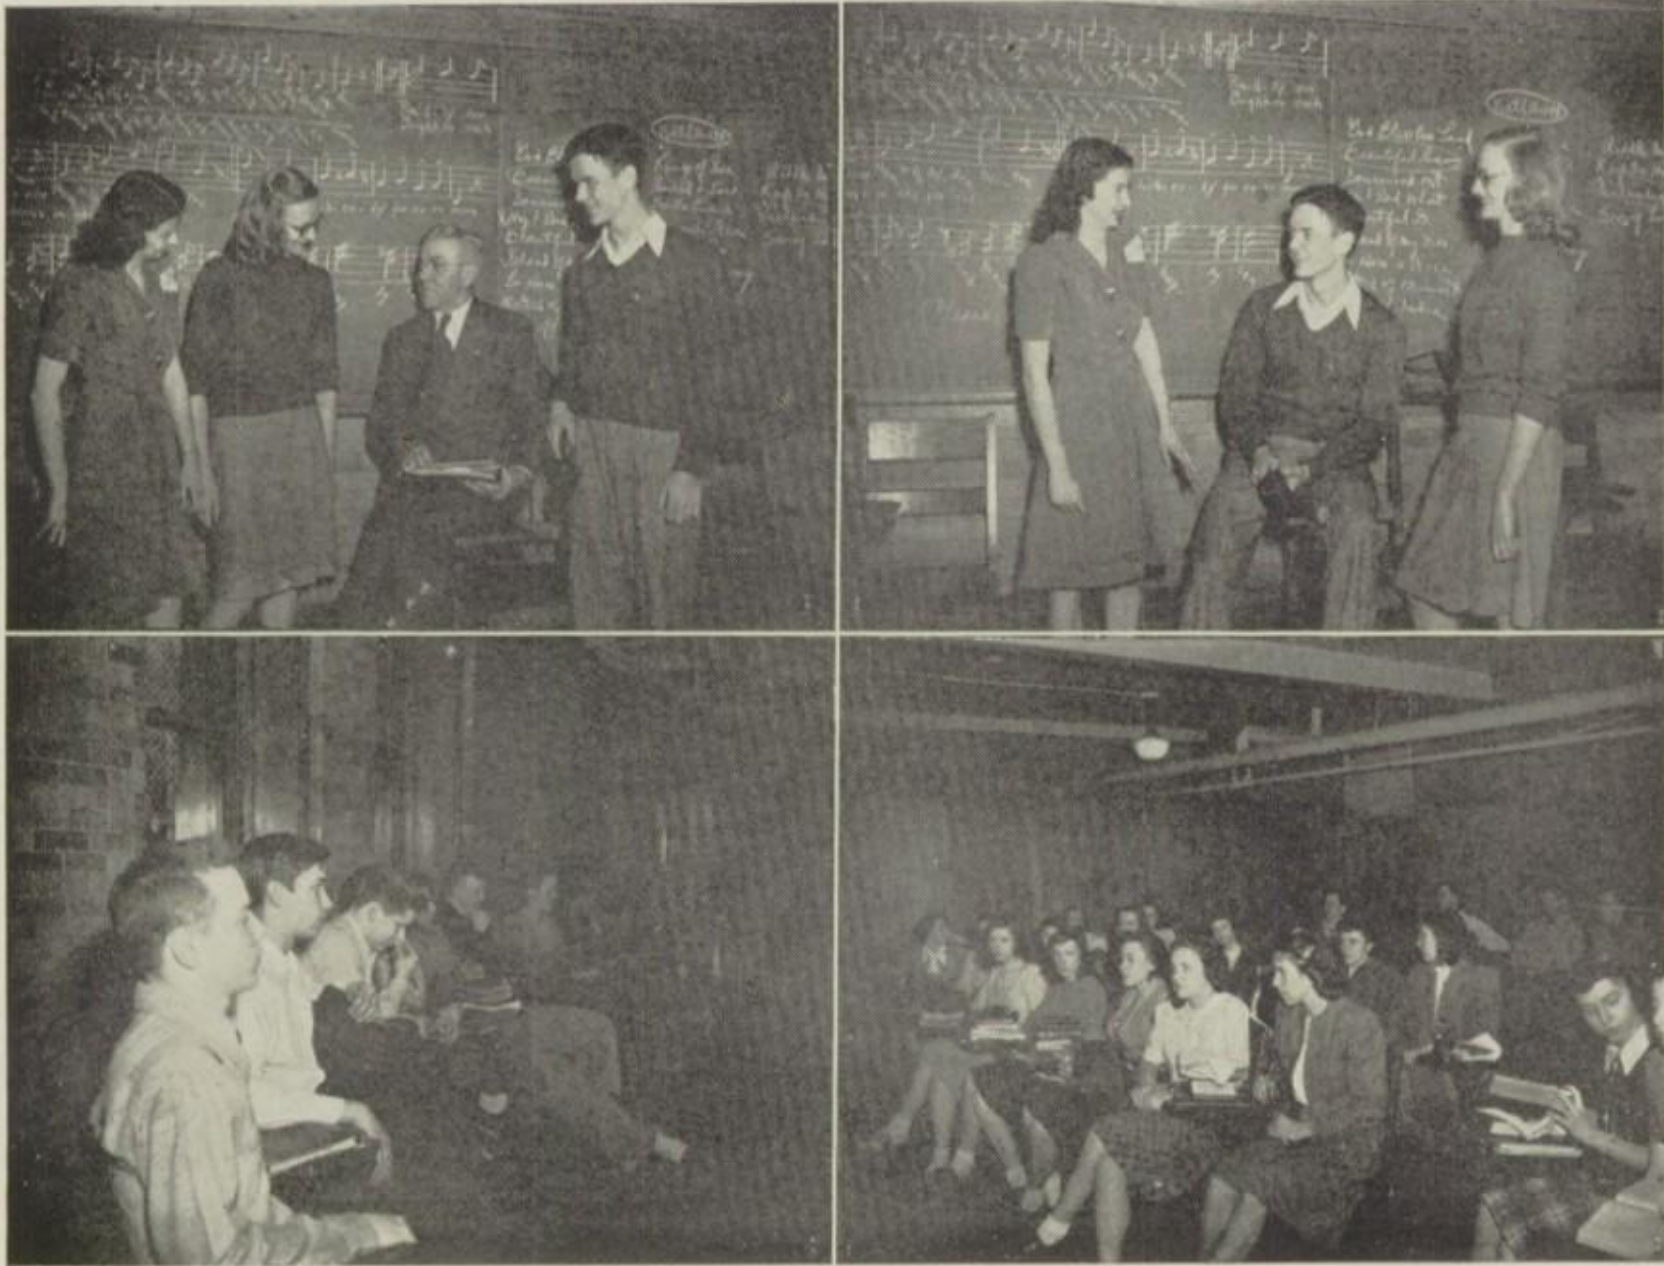

this school in 1937 under the leadership of Miss Laura E. Hosick.

The main objective of the National Honor Society is to promote higher scholarship standards among the students.

On April 11, in a chapel program, the entire membership was presented to the student body. The adviser this year is Miss Boyd.

## Student Council

Upper left—Mona Rose Harris, treasurer; Charlotte Nichols, secretary; Mr. Boyd, adviser; and Robert Crawford, president. Upper right—Three officers confer. Lower left—Members listen attentively to proposed legislation. Lower right—Council in session.

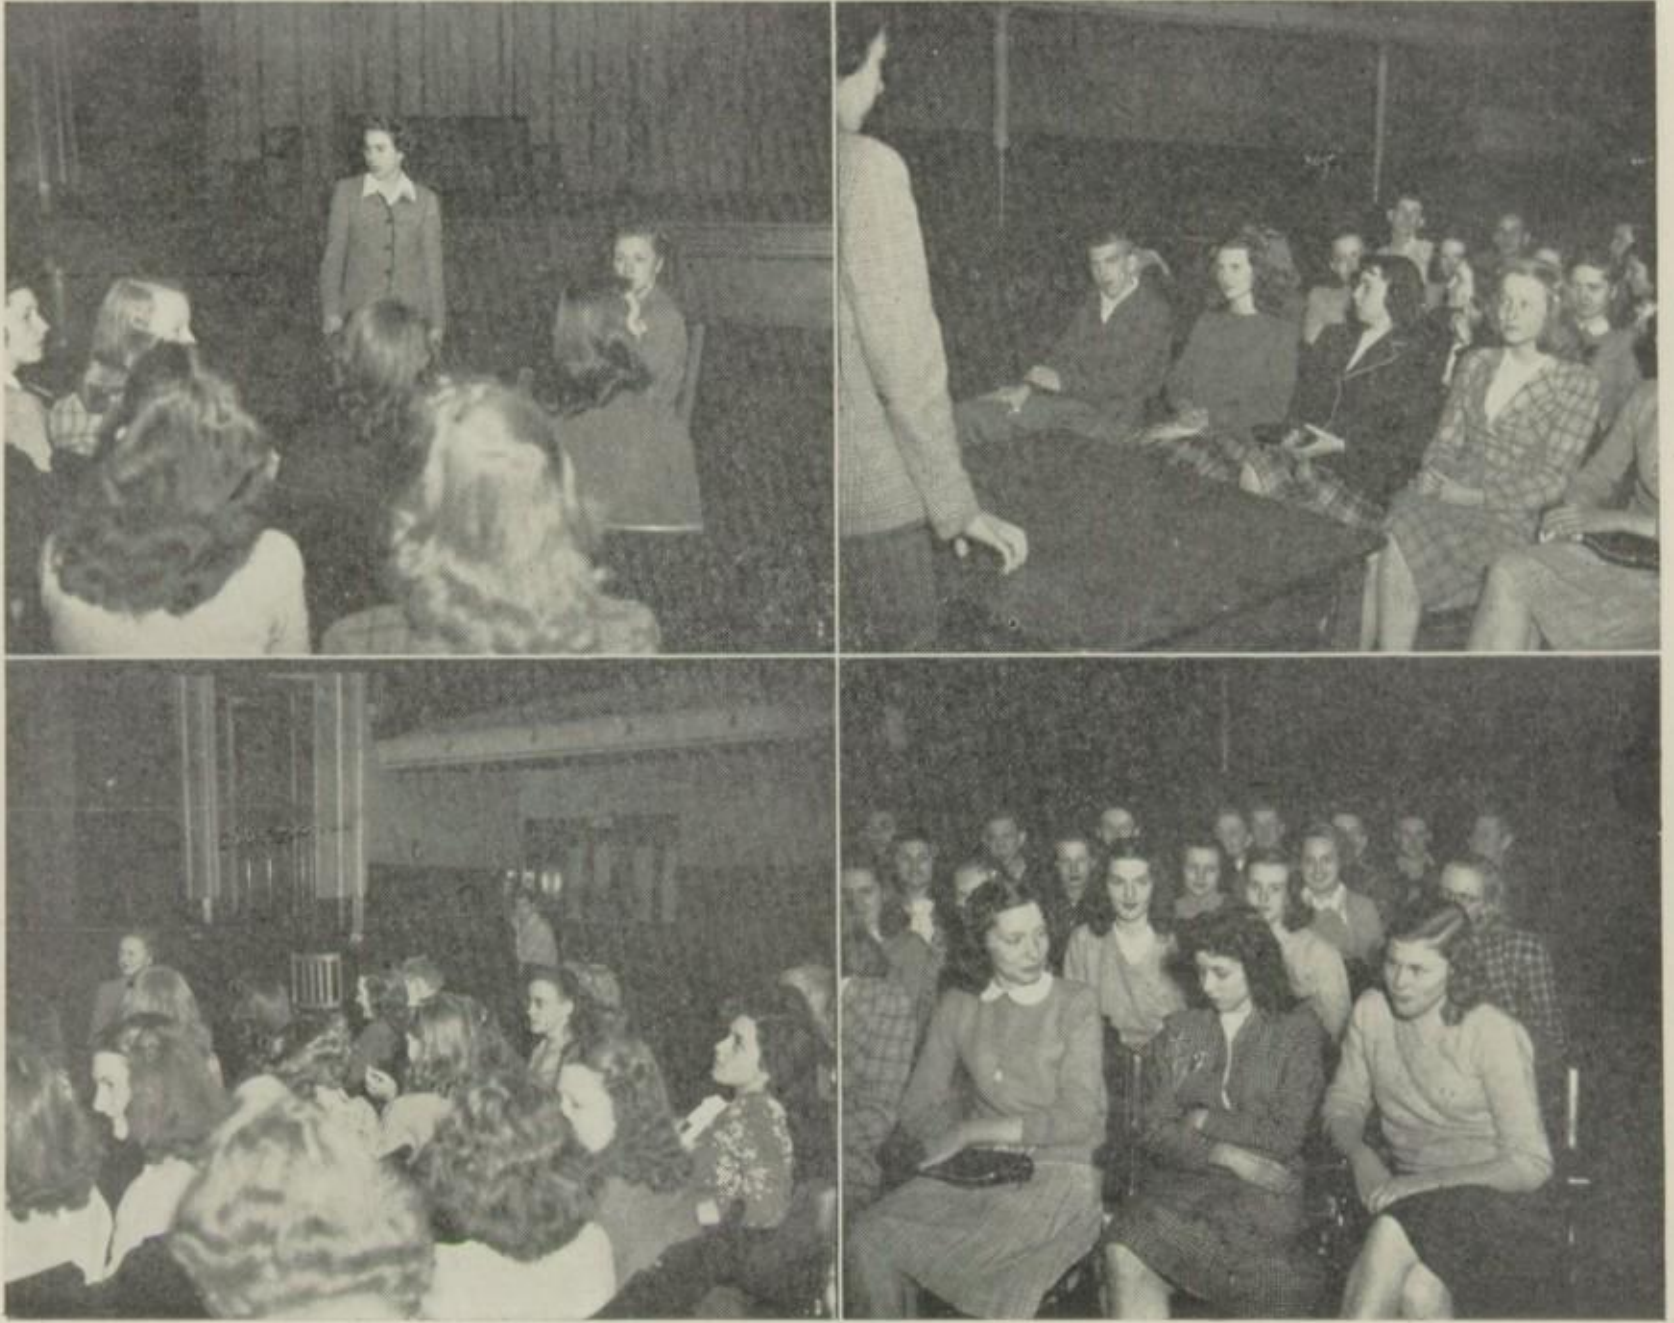

The Student Council is an organization composed of student representatives from the sophomore, junior, and senior classes whose purpose is to discuss matters of importance to the student body, to undertake certain responsibilities in connection with the school, and to give training in parliamentary procedure and citizenship. The activities of this group during the school year have included the awarding of a scholarship banner every six weeks to the home room having the highest scholastic average, the management of school dances, the contribution to the Christmas spirit of the school by the placing of a large Christmas tree in the main second

floor hall, the playing of timely recordings over the public address system, and the arranging of assemblies.

Students chosen as nominees for this responsible position are selected by an electoral committee and voted upon by the student body. Each class is represented according to its importance—the senior class sending seventeen representatives, the junior class eleven, and the sophomore class sending seven representatives. Mr. Frew C. Boyd is the adviser. Robert Crawford is president of the organization; Marjorie Hall, vice president; Charlotte Nichols, secretary; Mona Rose Harris, treasurer.

## College Club

Upper left—Joan Morin addresses club, and Esta Hammond meditates. Upper right—Club listens to president. Lower left and lower right—General views of club in session.

The College Club is made up of students interested in a college education. The main objective of the College Club is to prepare the high school student for college life. At the beginning of the year each member is asked to fill out an application blank for the college which he desires to enter. The purpose of filling out the application blanks early in the school year is to assure entrance into college the following year. The aim is accomplished chiefly by student reports

on books concerning college, student talks on "How to Study," representatives from various colleges which are of particular interest to the members, vocabulary tests, and other tests which stress college requirements. This year, due to the fact that colleges throughout Ohio as well as the United States are overflowing with students, the College Club has played an important part in aiding the student in college entrance.

## Scribblers

Upper left—Dolores Evans, Barbara Bradford, Don M. Smith, treasurer; and Mr. Hale, adviser. Upper right—Joan Morin, president, standing; Kenneth McCreary, vice president. Lower panels—Club in session.

club contribute original pieces of writing to be published.

Mr. Hale assumed the advisership of the club this year.

Next year the club hopes to be larger and to publish two magazines.

## Music Appreciation

Upper left—James Walker, extreme left, seated, president. James Reusser, standing, rear, treasurer. The other pictures are general views of club members listening to famous recorded music.

Music Appreciation is now in its second year of existence and is making great strides in promoting music appreciation in Newark High School. The object of this club is to develop good "ears" for music in our high school and also to give the pupils of this institution the privilege of listening to good music such as operas, concertos, overtures, and symphonies. The Record Purchasing Committee

through contributions of each member each week has built up, so far, a fair-sized library of the classics which are obtainable by any member of the student body. The Record Purchasing Committee takes suggestions from members for future purchases.

The club officers for the year 1946-47 are president, James Walker; treasurer, James Reusser; adviser, Mr. Gordon Kingery.

## Band

Programs for the basketball games were sponsored and sold by members of the band.

Last fall the band attended a Marine Concert in Columbus. The mem-

bers also took an overnight trip to Van Wert, Ohio, for a music festival. One hundred dollars and a trophy were won at the Cambridge contest, as the band took second place. During the Band Drive, two thousand dollars was collected to buy new instruments for new pupils.

The culminating event each year of the Newark High School Chorus is its Spring Concert which is becoming a really enjoyable affair. Of a high order and yet entertaining in character, the presentation attracts more and more lovers of good music.

During the past year the director was Mr. Wendell M. Jones, and the pianist was Alice Butler. The class pianists were June Beckman, Barbara Bonham, Ruby P. Tignor, Mary Elizabeth McKnight, Eloise Davidson, and Gwendolyn Holmok.

This year the chorus presented for the first time excerpts from some of the more popular operas, such as *Il Trovatore*, *The Bohemian Girl*, *Martina*, and *Robinhood*, in addition to a

new selection of regular chorus numbers by different composers.

Following its usual policy, the chorus continued to unite the school and community by singing for various adult groups; such as churches, service clubs, Parent Teachers' Associations, and the like.

Membership in the chorus is open to any student of Newark High School who can sing and who loves music. It meets twice a week to study and learn choral works both old and new. Students with exceptional voices are given opportunity to do solo work. Members of the chorus are encouraged to sing in church choirs of the city and thereby receive a different phase of choral experience than is offered in school.

The Sales Organization is composed of students taking retail selling and any other pupils wishing experience in this work. The organization has a two-fold purpose: to provide refreshments to the patrons of our football games and track meets, and to give members valuable experience in serving people.

The profits of this group go to

various needs of the school not covered by other sources of income. The organization purchased a moving picture for the school this year in addition to making contributions to various groups.

It is the object of the club to purchase those things that will be of benefit to the greatest number of students.

## Library Assistants

Upper left—Adviser Miss Dorn and Faith Fletcher. Upper right—Adviser Miss Dorn and staff. Lower panels—General view of the staff at work.

In the modern school the library must be planned so that its program will provide students with library materials and services when they need them. The Library Assistants play an important role in this program. They endeavor to increase their own knowledge of how to use the library and to aid other students in taking advantage of the materials offered by the library.

The staff, organized in 1940, is open only to those students having a "B" average. The members as a group meet every two weeks, but individual

students help in the library one period each day. The object of the group meeting is to give the students instructions concerning their daily work and to inform them of their special projects. As a special project the students plan the bulletin boards during the school year. Special emphasis is placed on Book Week and important holidays.

By their work this group is extremely helpful in increasing the interest of their schoolmates in this valuable department of the school.

## Camera Club

Upper left—Robert Ewing, president; Mr. Steinberger, adviser, and Robert Stewart, vice president. Upper right—Ewing and Stewart laugh over club problem. Lower panels—The club in session.

A new organization this year, the Camera Club was organized to create interest in photography and to promote better photography. Officers of the group were Robert Ewing, president; Robert Stewart, vice president; Don R. Smith, secretary; and Donna Jean Slebodnik, treasurer. Mr. Steinberger and Mr. Miller were the advisers.

As a project the club took pictures of municipal centers in Newark — railway stations, the Court House, the airport, churches, schools, the police station, mounds—and placed them in a scrapbook. Pictures for this books will be taken during the next several years after which the volume will be presented to the library.

Another activity of the club was its contest for amateur photographers around school. A first prize of five dollars, a second prize of two dollars, and a third earning honorable mention were offered.

The Licking County Weekly published some pictures by the group. Furthermore, a few members submitted pictures to the National Photography Contest which was held from February to May of the year.

The Camera Club, which meets every other Monday in Room 204, is divided into two groups: members who take pictures and those who process them.

Hi-y is an organization of fine background which has a duty to create, and maintain, and extend throughout the school and community high standards of character. Its emblem is a red triangle with a white cross in the center. This insignia means purity and red-blooded service of growth in body, mind, and spirit. In order that the aims of the Hi-Y may be more fully realized, that the welfare of the members be better promoted, that members may know what is considered proper procedure, and that they may show in all their relations high standards of conduct, a code of ethics

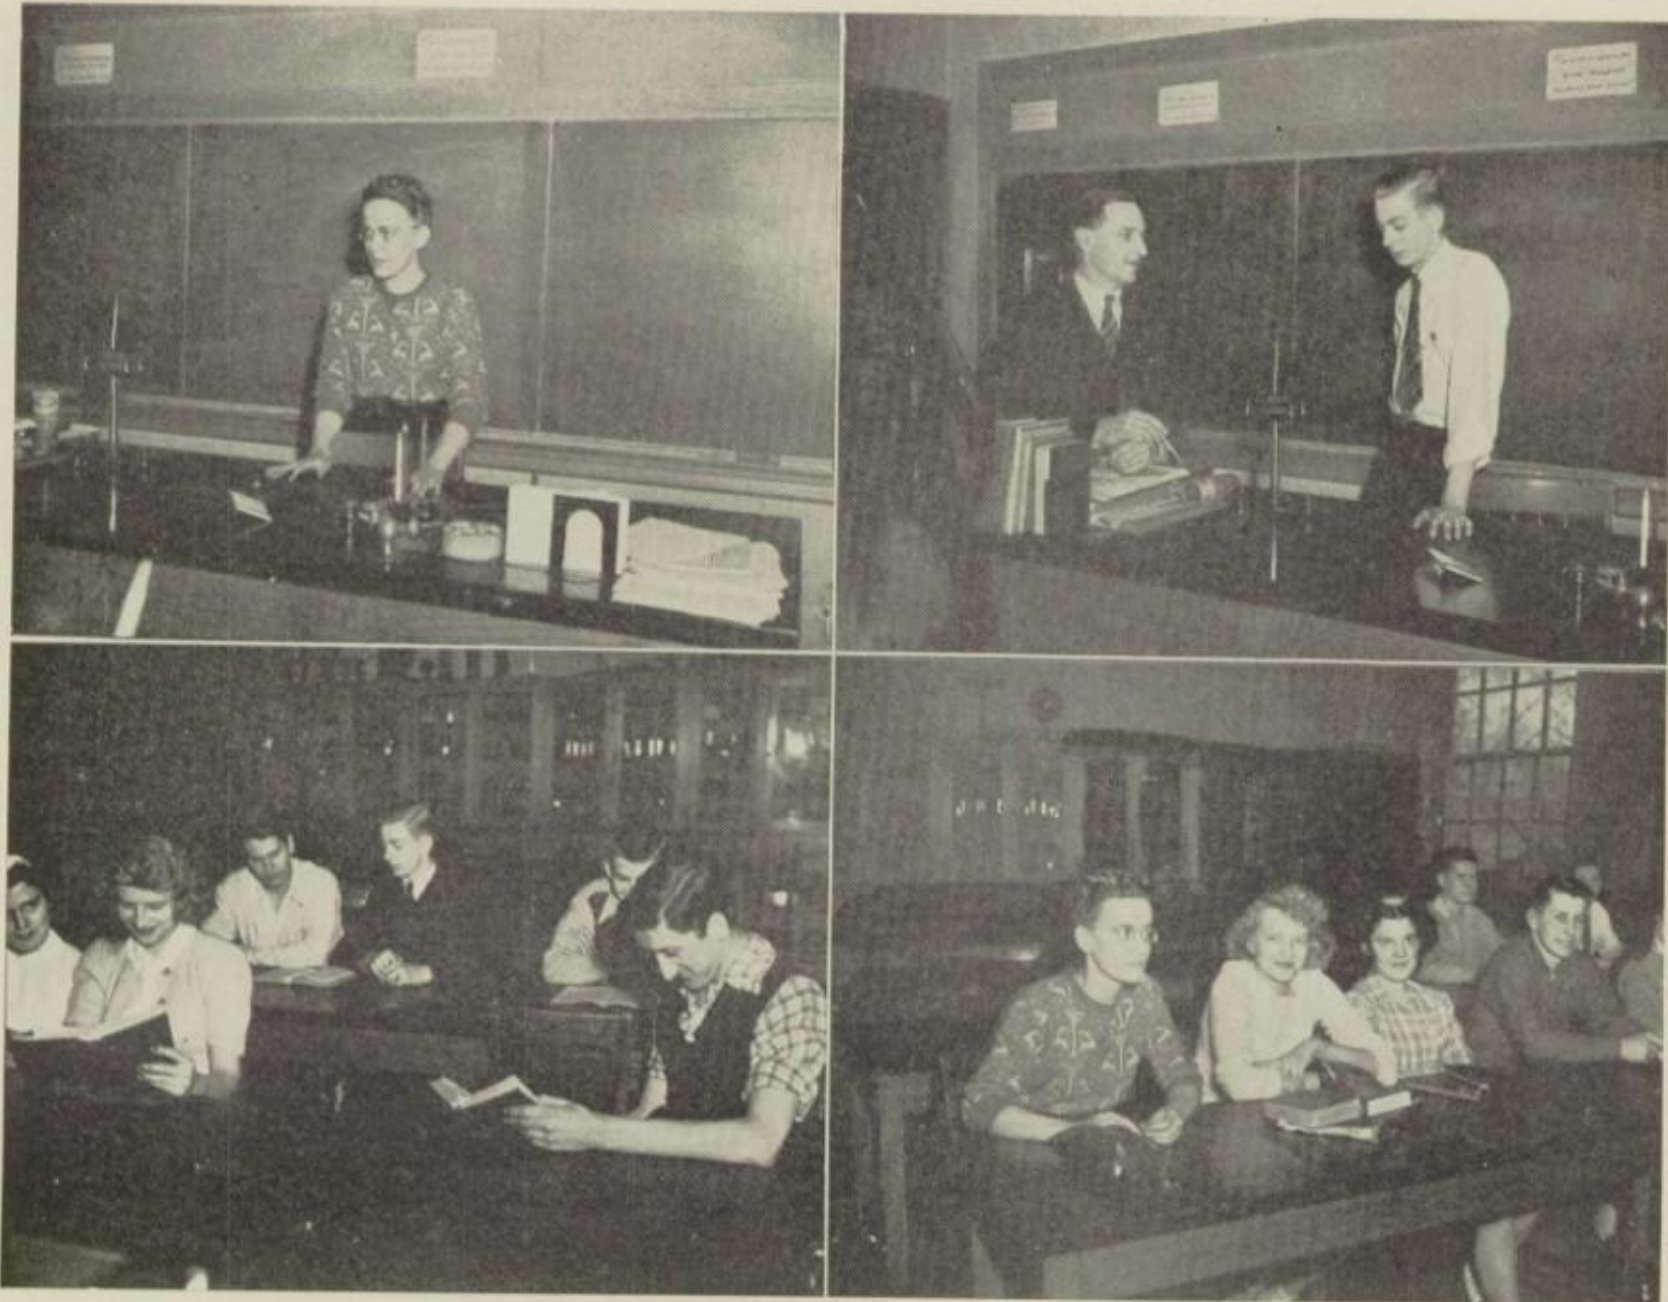

is adopted, and a sworn oath is taken by all.

Don Idle is president and has a staff of Fred Edwards, vice president; Jack Dettre, secretary; and Jerry Roberts, treasurer. These boys with twenty-five members following them meet every Tuesday night at the Y.M.C.A. The ambition of the Hi-Y member is to do the best he can in speech, manner, study, and service—to make life most worth while for himself and his community.

Advisers are Mr. Logan Crossland, Mr. Arthur Miller, and Mr. Ralph Smith.

## Science Club

Upper left—President Carol Koveleski speaks to the club.  
Upper right—Adviser Mr. Steinberger and Wayne Morrow.  
Lower panels—General view of the club.

The Science Club consists of students interested in science, both as it is taught in classes and as it appears in current periodicals.

The club operates under the able supervision of Mr. P. G. Steinberger and meets every other week in Room 304. The club's purpose is to give its members an understanding of some of the basic processes in science and to permit an interchange of ideas and information which, it is hoped, will prove beneficial to all concerned.

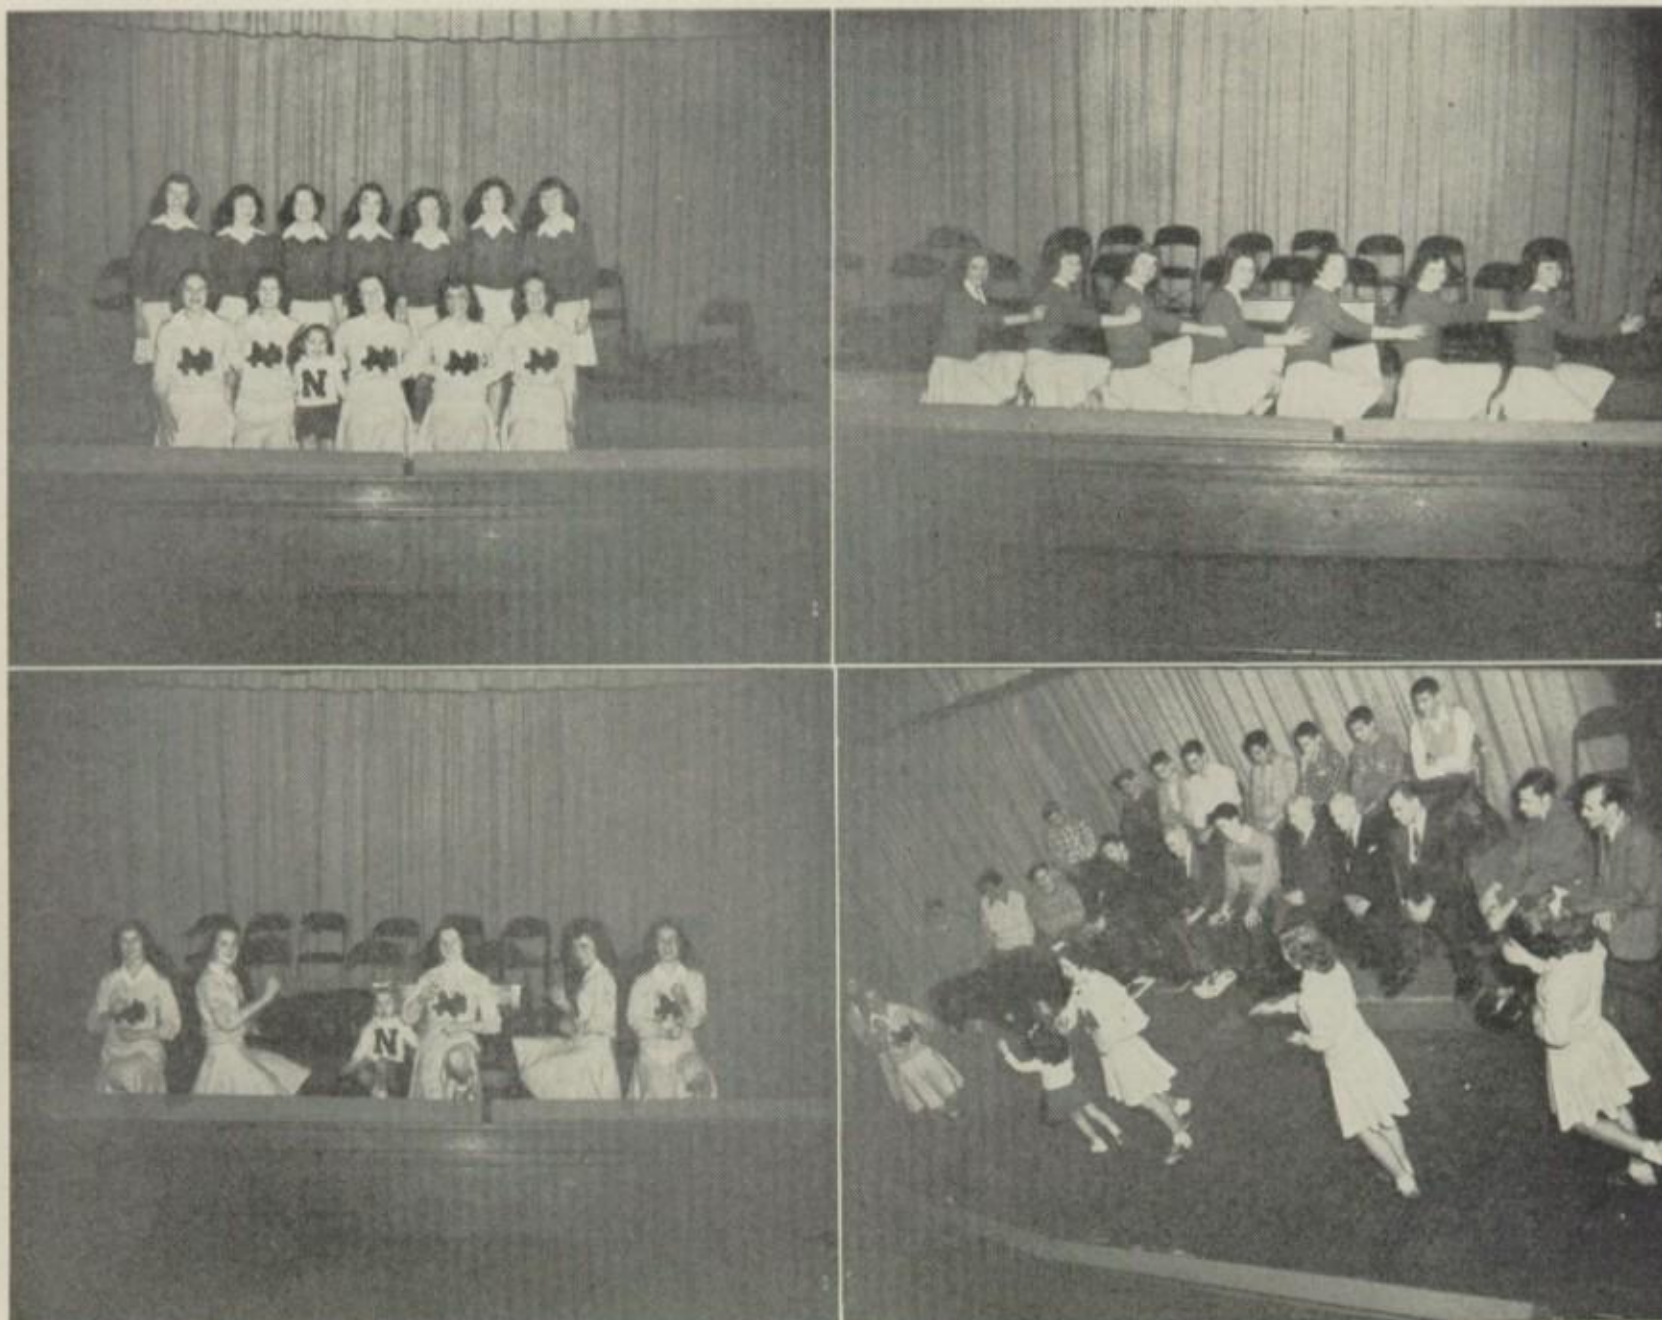

This year the club has concerned itself less with talks than with the ac-

tual demonstration of scientific principles. By this method, active participation of all members is obtained. The method has been applied with quite satisfactory results to the study of the electromagnet and its heating effects on non-magnetic materials, and to the operation of the Wimshurst static machine.

The officers of the club this year are president, Carol Koveleski; vice president, James Ruton; secretary, Angela Deering; and treasurer, Dwight Smith.

The cheerleaders really have fine cheers, outstanding of which are the Locomotive and the Trumpet cheers.

This year has featured an innovation—sophomore cheerleaders. These girls lead cheers during Reserve basketball games.

The "300" Club is open to all students who are enrolled in the Smith-Hughes Vocational Machine Shop Course.

The group meets every first and third Tuesday during the eighth period in Room 300. The purpose of the club is to promote interest in the Smith-Hughes Machine Shop Course and to make better citizens in homes,

schools, and community.

A bookcase and a small library of special books, pamphlets, circulars, etc., was furnished by the club to benefit the school. The club has several social activities during the year. Mr. Roberts and Mr. Oatman are the sponsors of this group. Donald Von Schriltz is president, and Walter Nadolson, secretary.

### Columbus East

The Wildcats as usual won, 13 to 7, their opening game with Columbus East. This was the fourth consecutive opening game Newark has won from East.

East scored first on a fake kick play in the opening four minutes of the game. Thomas passed to Corotis, who romped over the goal for East's only touchdown. The conversion was good.

With East on Newark's 15-yard line, Kenny King intercepted a pass and scampered 85 yards for Newark's first tally. Anderson's kick was no good.

Early in the second period, King faded back and tossed a perfect pass to Don L. Smith, who hit pay dirt for the winning score. King made it 13 to 7 with a center plunge.

East's second touchdown, early in the fourth period, was nullified by an offside penalty. Newark's stalwart forward wall then held East until the final gun spoke.

### Columbus North

Newark's snarling Wildcats won their second game of the '46 season by defeating Columbus North 19 to 14.

Kenny King fumbled after receiving the kickoff, and North recovered on Newark's 24-yard line. On the fifth play, Moriarity drove over from the 16 for North's first tally. Widdoes' kick neatly split the uprights for the extra point.

With Newark on North's 45, Don L. Smith tossed a pass to Lawrence who speared it with one arm. Newark then drove to the one-yard marker. King piled over center for the score. His plunge for the extra point was short.

Don L. Smith set up Newark's second touchdown with a pass to Ballinger. Smith then passed to Riley who went over for Newark's second score. Hepsworth's pass to Smith gave Newark the extra point.

In the third period, North scored again to put them ahead 14 to 13.

In the fourth period Smith passed to Lawrence for a first down. King drove to the one-inch line in three plays and on the fourth down dived over for his second six points. North then took the kickoff and drove to Newark's 11-yard line. King intercepted the ball to avert disaster.

## Dover

Sparked by Kenny King, Newark put down a strong Dover eleven, 13 to 7, for their first win in the Central Ohio League.

The Cats scored first on a sustained march of 31 yards. Newark drove to Dover's 23 with plays by Riley, Smith and King. King then took the ball and by some elusive running went over for the first score. Smith's pass to Ballinger for the extra point was incomplete.

Newark soon racked up four straight first downs. King made it a first down on the nine and Hepsworth carried the ball to the four. King again lugged the pigskin, going to the one-foot line. Dover then stopped Newark for a down, but on the next play King dived over center for his second score. Anderson's kick was good.

In the fourth period, Dover's Ronald Walker intercepted Smith's pass on his own 15 and drove to the 35. This was the start of Dover's touchdown drive. Sparked by Dick Elwood, Dover drove to the one-inch line. Elwood then smashed his way over for Dover's only score. Rinehart's placement was good.

## Lancaster

Newark's snarling Wildcats defeated a stubborn Lancaster eleven 26 to 13 for its second win in the C.O.L.

Lancaster's initial score came in the first period when Henwood, running wide to the right, hit pay dirt. Christian's placement was good.

Newark's first six points came in the third period when Smith danced into the end zone from the 20. The try for extra point was blocked.

A few minutes later Newark took the Gales' punt and drove to the one-yard marker. King then plunged over for the score. Hepsworth passed to Smith for the extra point.

Lancaster was again forced to punt, and on the second play Smith tossed to Riley for Newark's third touchdown. The conversion was no good.

Early in the fourth canto, Cole passed to Christian who romped over for the score. Reed's try for the extra point was wide. Hepsworth climaxed a Newark drive of 63 yards by banging over for the final score. Anderson's placement was good.

The final score: Newark 26, Lancaster 13.

### Coshocton

The jinx on the Wildcats held true as the Redskins defeated Newark 7 to 6 on Coshocton's field.

The Skins, highly keyed up because of the homecoming and rebounding as a result of their defeat at the hands of Dover, battled Newark to a stalemate in the initial period.

In the second period, Anderson recovered Funk's fumble. Newark then drove from the 25 to the 10 where Riley failed to gain. However, on the next play he scooted around the right end for Newark's only score. Smith's pass for the extra point was intercepted by Santon.

Coshocton then struck back. Sturtz took the kick-off on the 10 and the Skins proceeded to drive to Newark's five. Then Sturtz hurled his way across for the score. He made the extra point with a line plunge.

Newark outplayed the Skins, gaining 249 yards to the Skins' 99.

The final score: Newark 6, Coshocton 7.

### Mount Vernon

The Wildcats bounced back from their defeat at Coshocton by putting down Mount Vernon 26 to 6.

Driving from their own 41, Newark scored their first tally when King bowled over from the two. King made it 7 to 0 with a plunge.

Hepsworth blocked Wright's punt, and Newark again drove for a touchdown, King again having the honor. The extra point was no good.

Early in the second period Ballinger snared Smith's 50-yard pass to set up another score. Hepsworth cracked over, and Anderson's kick made it 20 to 0.

In the third period, the 'Cats went from the Mount Vernon 22 to score again. King scored his third touchdown of the game. Anderson's kick was wide.

A bad pass from center by Newark's Bob Kane set up the 'Jackets' only score. Hillier passed to Deedrick, who scampered over for the score. The plunge for extra point was short.

The final score: Newark 26, Mount Vernon 6.

## Cambridge

Newark recorded its fourth win in five starts in the C.O.L. by defeating Cambridge 19 to 0 on the Bobcat's muddy and rain-swept field.

On Newark's first play, Miller took the ball on his own three and streaked 97 yards down the field for his first six points. Smith's quarterback sneak for the extra point was short.

After the Wildcats' six pointer, neither team threatened and the half ended with Newark out in front 6 to 0.

In the third period, Newark took the Bobcats' punt and drove to their own 38 where Miller again lugged the pigskin and, dashing 62 yards, hit pay dirt. King's plunge for extra point was short.

John John recovered a Cambridge fumble in the fourth canto to set up another Newark score. On the first play, King smashed through and sped 21 yards for the final Newark score. He then plunged for the extra point.

The final score: Newark 19, Cambridge 0.

## Marietta

Newark completed its fifth win and gained a possible championship by defeating Marietta 38 to 14.

Newark's first tally came when King lateraled to Miller who danced over for the score. The extra point was no good.

Smith's pass to Ballinger accounted for the second score. Anderson's kick was wide.

Marietta bounced back with Caltrider dashing around end for the score. He also kicked the extra point.

Smith again passed, this time to Riley, who hit pay dirt. Miller went over for the extra point.

Horst's interception of a Tiger pass set up the Cats' fourth score. King bounced over from the one, and Anderson kicked to make the score 26 to 7.

King accounted for Newark's fifth tally. The extra point was no good.

Hepsworth lateraled to Riley who scampered over from the 21 for his second score. Hepsworth's placement was no good.

Marietta scored against the second stringers, and Caltrider kicked the point for the final score.

## Zanesville

Newark suffered a crushing defeat at Zanesville, 45 to 7, and handed the Blue Devils at least a share in C.O.L. championship.

Winters of Zanesville scored first on an end run. The pass for extra point was high. Sharrer hit pay dirt for the Blue Devils early in the second canto.

Newark took Zanesville's kick and marched down the field, King sparking the drive. Newark drove to the two, where King went over for the score. Riley converted.

In the third period the Blue Devils scored three touchdowns. R. D. Craig ran 29 yards for the first score, and Sharrer plunged for extra point. On a quarterback sneak Rusk piled over for the second six points. Sharrer went over for the point. Sharrer, intercepting a Wildcat pass, sped 45 yards and hit pay dirt.

Early in the fourth period, speedy Don Winters raced over to score. A substitute back scored the last Zanesville T.D., and White raced around end for the extra point.

Smith and Retherford paced the 'Cats with 16 and 14 points respectively, and Newark went on to win 52 to 38.

### Zanesville

The Wildcats won their first game in the C.O.L., and the third game of the season, by defeating Zanesville 44 to 35. At the same time the win made

up for Zanesville's crushing defeat of Newark during the football season.

Newark's attack was very aggressive, and the alert cagers controlled the ball from both bankboards.

Dick Retherford and Don Smith played exceptionally well and accounted for 26 of Newark's points, Smith getting 12, and Retherford getting 14.

### Xenia Central

Newark's Wildcats captured their fourth game of the season by crushing Xenia Central 52 to 29.

For the first two or three minutes Xenia looked fairly good, but Newark pulled away to lead 13 to 8 at the quarter and 28 to 18 at the half. Dick Schenk held scoring honors with 21 points, and Smith was next with 10.

Hornick was high for the losers, netting 12 points.

counted for 40 of Newark's points, Schenk getting 15, Smith 14 and Knox 11.

### Coshocton

Newark suffered its first setback in the C.O.L. by going down to Coshocton 46 to 47. The Wildcats played a good game but the football tactics of the Coshocton team proved to be too much. Dick Schenk paced the Wildcats, netting 10 points. Don Smith and Bill Knox followed with 6 and 5 points respectively.

### Middletown

The Newark Wildcats put down the Middletown Middies 46 to 43, thus breaking the Middies' string of 31 consecutive victories. Newark led at the end of all quarters and trailed the Middies only once throughout the contest. Smith and Dick Schenk accounted for 26 of the 'Cats' points getting 15 and 11 points, respectively. This was second time in three meetings that the Middies were defeated by Newark.

### Hamilton

Public 46 to 30. Newark led 9 to 7 at the end of the first quarter but lost the lead to trail 14 to 24 at the half. ### Mt. Vernon

The Wildcats put down a fighting Mt. Vernon squad 56 to 41 at Mt. Vernon to gain the C.O.L. leadership.

During the first quarter, the Yellow Jackets outplayed Newark and led at the end of the period 13 to 11. In the second quarter it was a different story, however, and the 'Cats led at halftime 28 to 22.

The second half was all Newark, and the game ended with Newark in front 56 to 41. Knox scored 15, and Retherford scored 14 to pace the Wildcats.

### Dover

The 'Cats ended the first round of play in the C.O.L. by defeating Dover 52 to 32. The win put Newark in undisputed first place in the league.

Dover's highly rated team was just no match for the clever 'Cats. Newark's rebound play and floor game would be a credit to any school.

Newark's Don Smith was by far the best player of the game. Besides netting 11 points, Smith was very aggressive at both offense and defense. Retherford and Knox paced the 'Cats with 15 and 13 respectively.

### Zanesville

George Dine, a second stringer, became the hero by dropping in a free throw to gain the seventieth point.

### Coshocton

Newark downed Coshocton, 44 to 42, to avenge their defeat earlier in the season. After this game the 'Cats were still in a tie with Dover.

The 'Cats were ahead at the end of the first quarter 8 to 9 but trailed by two points at the half and the third quarter. Newark came from behind to tie the game 39 to 39 as the game ended. Lavelle clinched the game as he dropped in a fielder, and Smith added a free throw as the buzzer ended the game.

### Bexley

The Wildcats defeated Bexley at Bexley by a 55-to-34 margin. The Lions led after three minutes of play, but from then on it was all Newark.

Newark led 25 to 15 at the half and pulled away to lead 41 to 20 at the end of the third period.

Smith had 20, and Dick Schenk had

12 to pace the 'Cats. Susil paced the losers netting 15 points.

Every player in the Newark lineup scored, but D. Schenk and Don Smith held scoring honors, netting 15 and 14 respectively. Stewart paced the Teddy Bears with nine points.

### Marietta

The Newark Wildcats defeated a highly rated Marietta squad 49 to 37

to retain their lead in the C.O.L. One more win only was needed to gain a share of the title.

The 'Cats led by only two points at the end of the first quarter but pulled away to lead 29 to 19 at the half.

R. Schenk, Knox, and Smith accounted for 41 of Newark's points, netting 19, 12, and 10 respectively. Williams paced the Tigers with 16 points.

### Mt. Vernon

Newark cinched the Central Ohio League by defeating Mt. Vernon 54 to 52 on the home court.

The 'Cats were coasting along with a comfortable 10-point lead with just 30 seconds to play when they blew up. Schenk, Knox, and Smith all fouled out in the hectic fourth period.
